Whispering the Lyrics Thomas Long,1995 Based on texts from the Revised Common and Catholic lectionaries Thomas Long provides inspirational messages to motivate and help preachers through their most difficult preaching time of the year the seasons of Lent and Easter The road to Easter takes us through the most sacred stretch of the gospel story and the narratives simply overwhelm us Congregations who blithely assume that their pastor eagerly relishes the chance to preach the passion and resurrection of Jesus are for the most part mistaken To be sure the pews are more crowded as Easter approaches the choirs are well rehearsed and in full voice and an electric charge courses through the sanctuary but the preacher stands there with the obligation to proclaim the truths of Jesus death and resurrection and it seems at one and the same time to be a set of claims too little to go on in a secular and cynical age and a range of mysteries too profound to speak from author s foreword Thomas Long is Francis Landey Patton Professor of Preaching and Worship at

Princeton Theological Seminary and is one of the most well known teachers of preachers in America This is his second book published by CSS La Triviata F. Stephen Jones, 2021-12-22 LaTriviata The Tree of Us By F Stephen Jones LaTriviata The Tree of Us is a satiric poetic allegory of sorts portraying the present day situation of civilization a quest for love riches and fame politics man and his world and where it is all going The characters are very real even the choruses of trees carrying on as they do The interplay of the characters each with a driving need and a plan a desire a quest playing off each other trying to use each other to their own desired ends all the time spouting pompous often ridiculous rhetoric The message is relevant in every way as the characters converge on and around and under the archaic iconic monument a towering monolith The Tree of Us overshadowing everything LaTriviata is unique in about every way possible Read it Slowly out loud Takeaway what you will from the quotable lines spilling off every page easily taken out of context changing their meanings to the overall story and the concept s not only implied but expressed at every turn and shattering out with the climax an end foretold an end to be expected by any and all and yet an indescribable end
