Backyard Visionaries Grassroots Art In The Midwest:

Backyard Visionaries Barbara Brackman, Cathy Dwigans, 1999 A photographic chronicle of backyard art with essays that examine various aspects of the work of grassroots artists

Sublime Spaces and Visionary Worlds Leslie Umberger, 2007-10-04 The need to personalize our surroundings is a defining human characteristic For some this need becomes a compulsion to transform their personal surroundings into works of art The John Michael Kohler Arts Center in Sheboygan Wisconsin has undertaken the mission to preserve these environments which are presented for the first time in *Sublime Spaces and Visionary Worlds* This colorful and inspiring book features the work of twenty two vernacular artists whose locales personal histories and reasons for art making vary widely but who all share a powerful connection to the home as art Featured projects range from art environments that remain intact such as Simon Rodia's Watts Towers in California to sites lost over the years such as Emery Blagdon's six hundred elaborate Healing Machines made of copper aluminum tinfoil magnets ribbons farm machinery parts painted light bulbs beads coffee can lids and more *Sublime Spaces and Visionary Worlds* is the first book to explore these spectacularly offbeat spaces in detail From Original Rhinestone Cowboy Loy Bowlin's wall to wall glitter and foil living room to the concrete bestiary of witch of Fox Point Mary Nohl each artist and project is described in detail through a wealth of visuals and text *Sublime Spaces and Visionary Worlds* reminds us that our decorative choices tell the world not just what we like but who we are

Vernacular Architecture in the 21st Century Lindsay Asquith, Marcel Vellinga, 2006-03-10 The issues surrounding the function and meaning of vernacular architecture in the twenty first century are complex and extensive Taking a distinctively rigorous theoretical approach this book considers these issues from a number of perspectives broadening current debate to a wider multidisciplinary audience These collected essays from the leading experts in the field focus on theory education and practice in this essential sector of architecture and help to formulate solutions to the environmental disaster management and housing challenges facing the global community today

Outsider Art Daniel Wojcik, 2016-08-25 Outsider art has exploded onto the international art scene gaining widespread attention for its startling originality and visual power As an expression of raw creativity outsider art remains associated with self taught visionaries psychiatric patients trance mediums eccentric outcasts and unschooled artistic geniuses who create things outside of mainstream artistic trends and styles *Outsider Art Visionary Worlds and Trauma* provides a comprehensive guide through the contested terrain of outsider art and the related domains of art brut visionary art art of the insane and folk art The book examines the history and primary issues of the field as well as explores the intersection between culture and individual creativity that is at the very heart of outsider art definitions and debates Daniel Wojcik's interdisciplinary study challenges prevailing assumptions about the idiosyncratic status of outsider artists This wide ranging investigation of the art and lives of those labeled outsiders focuses on the ways that personal tragedies and suffering have inspired the art making process In some cases trauma has triggered a creative transformation that has helped artists confront otherwise

overwhelming life events Additionally Wojcik s study illustrates how vernacular traditions religious worldviews ethnic heritage and popular culture have influenced such art With its detailed consideration of personal motivations cultural milieu and the potentially therapeutic aspects of art making this volume provides a deeper understanding of the artistic impulse and human creativity

American Folk Art Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays American Folk Art A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are

Encyclopedia of American Folklife Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

Explaining Traditions Simon Bronner, 2011-08-26 Why do humans hold onto traditions Many pundits predicted that modernization and the rise of a mass culture would displace traditions especially in America but cultural practices still bear out the importance of rituals and customs in the development of identity heritage and community In Explaining Traditions Folk Behavior in Modern Culture Simon J Bronner discusses the underlying reasons for the continuing significance of traditions delving into their social and psychological roles in everyday

life from old time crafts to folk creativity on the Internet Challenging prevailing notions of tradition as a relic of the past Explaining Traditions provides deep insight into the nuances and purposes of living traditions in relation to modernity Bronner s work forces readers to examine their own traditions and imparts a better understanding of raging controversies over the sustainability of traditions in the modern world **Singular Spaces** Jo Farb Hernandez,2013 Published by leading outsider art imprint Raw Vision Singular Spaces is a groundbreaking survey of art environments created by self taught artists from across Spain The book introduces and examines 45 artists and their idiosyncratic sculptures gardens and buildings most of which have never been published The sites are developed organically without formal architectural or engineering plans they are at once evolving and complete Often highly fanciful and quixotic the work is frequently characterized by incongruous juxtapositions an approach that appears impulsive and spontaneous Director of the organization SPACES Saving and Preserving Arts and Cultural Environments Jo Farb Hernandez combines detailed case studies of the artists and their work with contextualized historical and theoretical references to art history anthropology architecture Spanish area studies and folklore Breaking down the standard compartmentalization of genres she reveals how most creators of art environments who are building within their own personal spaces fuse their creations with their daily lives **Kansas History** ,2002 Annals of Iowa ,2001
