The Bad Mother's Handbook Kate Long, 2007-12-18 BAD MOTHER RULE 1 NEVER EVER DO WHAT I DID For seventeen year old Charlotte Cooper it's too late Despite her best efforts to finish school tune out her angry slightly hysterical mother and cope with her loving but dotty grandmother she is unexpectedly now that's an understatement pregnant And don't even mention the jerk who knocked her up Charlotte's mother Karen is trying to convince herself that there are worse things than becoming a grandmother at thirty three For instance there's wanting to kill Charlotte for the mess she's made of her life Between struggling to pay the bills and halfheartedly filling out questionnaires on Internet dating sites Karen uncovers a scandalous family secret involving her own birth and then falls back into bed with her sexy ex husband So much for perfect timing In the meantime Karen's mother Nan is having a wee bit of trouble with names sometimes her own But that doesn't keep her from retaining a few things she'd rather forget Of course Nan knows that everything will work out fine for Charlotte and the baby these things usually do Now if only she could put the pieces of her own fragmented memory together she might have an interesting tale or two to share In this wickedly funny disarmingly moving novel three generations of mothers learn that it's the simplest mistakes that can change your life forever With wit and wisdom Kate Long proves that there are as many kinds of mothers as there are daughters but the love that binds them all is what truly matters *Bad Mother's Handbook* Pan Macmillan, 2004-03

The Bad Mother's Handbook Kate Long, 2005 The story of a year in the lives of Charlotte Karen and Nan none of whom can quite believe how things have turned out Why is it all so difficult Why do the most ridiculous mistakes have the most disastrous consequences When are you too young to be a mother Both hilarious and wise it is a clear eyed look at motherhood and childhood in its many guises from the moment the condom breaks to the moment you file for divorce or more optimistically from the moment of your baby's first cry to the moment you realise that there are as many sorts of mother as there are children and that love sometimes is the most important thing of all
