Female Adolescence in American Scientific Thought, 1830-1930 Crista DeLuzio, 2007-08-13 Publisher description [The Child in American Evangelicalism and the Problem of Affluence](#) David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity s underside The result is the AAEC s spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro s theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider s moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century *America's Child Care Problem* Barbara R. Bergmann, Suzanne Wiggins Helburn, Suzanne Wiggins Helburn, 2003-05-30 The revolution in women s lives has created an unprecedented demand for non parental child care and sparked a growing child care industry run by both public and private providers In this book two esteemed economists examine the causes and potential cures of the child care problems that face this country today Writing for policymakers parents and providers alike Suzanne W Helburn and Barbara R Bergmann provide the first in depth look at the child care industry identifying crucial problems such as quality of care and the high cost of even mediocre care Moreover the authors identify sources for change including stronger regulatory procedures on providers and suppliers of care and more government subsidies *America s Child Care Problem* examines the views of key players in all facets of the child care industry CEOs politicians policy advocates foundation directors child care providers and parents and offers specific advice and guidelines for parents to use when selecting care The book helps parents understand the hidden costs of child care the pros

and cons of child care centers versus care by nannies relatives and family run centers and danger signals that indicate a low quality of child care The American Child Caroline Field Levander, Carol J. Singley, 2003 From the time that the infant colonies broke away from the parent country to the present day narratives of U S national identity are persistently configured in the language of childhood and family In The American Child A Cultural Studies Reader contributors address matters of race gender and family to chart the ways that representations of the child typify historical periods and conflicting ideas They build on the recent critical renaissance in childhood studies by bringing to their essays a wide range of critical practices and methodologies Although the volume is grounded heavily in the literary it draws on other disciplines revealing that representations of children and childhood are not isolated artifacts but cultural productions that in turn affect the social climates around them Essayists look at games pets adolescent sexuality death family relations and key texts such as The Adventures of Huckleberry Finn and the movie Pocahontas they reveal the ways in which the figure of the child operates as a rich vehicle for writers to consider evolving ideas of nation and the diverse role of citizens within it Problems of American Democracy Henry Reed Burch, Samuel Howard Patterson, 1927 **Subversive Influence in the United Electrical, Radio, and Machine Workers of America** United States. Congress. Senate. Committee on the Judiciary, United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1952 *Family Diversity and Family Policy: Strengthening Families for America's Children* Richard M. Lerner, Elizabeth E. Sparks, Laurie D. McCubbin, 2013-03-09 *Family Diversity and Family Policy* describes the dimensions of diversity which characterize the contemporary American family and discusses the implications for public policy and associated intervention programs linked to this diversity The authors contend that if the programs and policies available to support families are to be most useful they need to reflect the diversity of the families they intend to help Beginning with a discussion of the historical and contemporary context of the American family *Family Diversity and Family Policy* focuses on child poverty and argues that this topic may be usefully studied within the context of developmental systems theory This theory systematically links the development of individuals to variations in their physical and social ecology and is used as a framework for discussing Contemporary challenges faced by parents charged with rearing adolescents and the familial and societal issues that arise when the adolescents being reared are parents themselves Current policy issues that arise from welfare debates in the United States and from recently enacted welfare reform legislation The importance for our nation of developing a comprehensive national youth policy The authors draw implications for the design delivery and evaluation of diversity sensitive policies and programs for families and youth and offer a vision of how to link scholars policy makers and community members in multi professional and multi institutional collaborations promoting the positive development of American families and youth *Family Diversity and Family Policy* is relevant to scholars and policy makers interested in human development particularly of children and adolescents In addition it should be essential reading for practitioners and policy

makers in government private industry and public and private social service organizations The Trouble with Sauling Around Madeline Ruth Walker, 2011-08-16 Examining autobiographical texts by Malcolm X *The Autobiography of Malcolm X* Oscar Zeta Acosta *The Autobiography of a Brown Buffalo* and *Revolt of the Cockroach People* Amiri Baraka *The Autobiography of LeRoi Jones* and Richard Rodriguez *Hunger for Memory* Days of Obligation and Brown Walker questions the often rosy views and simplistic binary conceptions of religious conversion Her reading of these texts takes into account the conflict and serial changes the authors experience in a society that marginalizes them the manner in which religious conversion offers ethnic Americans salvation through cultural assimilation or cultural nationalism and what conversion anticonversion and deconversion narratives tell us about the problematic effects of religion that often go unremarked because of a code of special respect and political correctness Walker asserts that critics have been too willing to praise religion in America as salutary or beyond the ken of criticism because religious belief is seen as belonging to an untouchable arena of cultural identity *The Trouble with Sauling Around* goes beyond traditional literary criticism to pay close attention to the social phenomena that underlie religious conversion narratives and considers the potentially negative effects of religious conversion something that has been likewise neglected by scholars *The New Population Problem* Alan Booth, Ann C. Crouter, 2005-05-06 This volume focuses on the phenomenon of lower fertility rates occurring in the developed world It explores the factors that influence couples decisions on the number of children they will have and what are the long term consequences of declining ferti
