1 Peter Lets Study:

Let's Study 1 Peter William W. Harrell, 2004 Peter's great themes of grace and salvation in Christ, godly living and comfort in suffering echo down the ages to the present day. William Harrell's fresh and lively treatment of 1 Peter shows that these themes are as relevant to the church today as they were in the first century. We too need to hear of the greatness of the salvation accomplished by Christ and to heed the call to consecrated and orderly living to endurance in suffering and to vigilant service. As with the earlier volumes in this series, the value of the exposition is enhanced by the Group Study Guide which follows. The whole unfolding Let's Study series is a must for every Christian home that is serious about getting to know the Word. Covenanter Witness William W. Harrell is a minister in the Presbyterian Church in America. He has served as the pastor of Immanuel Presbyterian Church in Norfolk, Virginia, from 1981 to the present.

A Biblical-Theological Introduction to the New Testament Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers. However, with an emphasis on the theology, key themes and overall message of each book in the New Testament, this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach. Written from a distinctly Reformed covenantal and redemptive historical perspective, this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight.

Let. It. Go. Bible Study Guide Karen Ehman, 2013-05-01 In this six session women's small group Bible study DVD, digital video sold separately, Karen Ehman provides practical, biblically based steps for letting go of the need to control. Let's face it, many women are wired to control. We make sure that the house is clean, the meals are prepared on time, the beds are made, the children are dressed, and everyone gets to work, school, and other activities on time. And trying to control it all is not only exhausting but can also cause us to lose friends and sometimes the affection of our families. It can earn wives and mothers the label of control freak and send those within our sphere of influence packing. In this humorous yet thought provoking small group Bible study, you'll find the freedom and reward of living out of control, putting God in the rightful place he deserves in your life. Armed with relevant biblical and current examples, both to emulate and to avoid, doable ideas, new thought patterns, and practical tools to implement, this study will gently lead you out of the land of over control and into a place of quiet trust. Sessions include: God Called and He'd Like His Job Back, Combating the Me First Mentality, Pursuing the Appearance of Perfection, Practicing the Art of Soul Control, When Comparisons Lead to Over Control, Fixing Your Eyes on the Attitude Indicator. Designed for use with the Let It Go Video Study, sold separately.
