(Volume 1 of 2)**

(EasyRead Super Large 24pt Edition) , Inspiration Dr. Wayne W. Dyer, 2006-02-28 The 1 New York Times best selling author of The Power of Intention What I m offering in this book is the awareness that we can return to a full time position of inspiration which is the true meaning of our life Dr Wayne W Dyer In this groundbreaking book Dr Wayne W Dyer explains how we ve chosen to enter this world of particles and form From our place of origin in ways that we don t readily comprehend now we knew what we were coming here to accomplish and we participated in setting this life process in motion So why not think along these same lines Why put the responsibility or blame on any one or any thing that s not a part of us On Earth we have the capacity of volition we can choose so let s assume that we had the same capacity when we resided in the spiritual realm We chose our physical body and we chose the parents we needed for the trip It doesn t seem too great a stretch to move into the idea that we chose this life in concert with our Source Inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires Inspiration is for everyone It isn t reserved for high profile creative geniuses in the arts and sciences it s inherent in our Divine birthright The problem is that as children we re gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished As you read each chapter in this book you ll find specific suggestions for living in Spirit From a very personal viewpoint Wayne offers a blueprint through the world of inspiration your ultimate calling My Greatest Teacher Dr. Wayne W. Dyer, Lauber Lynn, 2012-02-22 From best selling author and spiritual teacher Wayne W Dyer comes My Greatest Teacher which follows a man s journey to find understanding and reconciliation with his past Despite having a loving family and a fulfilling career as a university professor Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born When these emotions take their toll on his marriage and his relationship with his own son Ryan realizes he must confront these unhealed wounds in order to move forward in his life While at an academic conference he embarks on a search to track down his father Big Bob

Along the way Ryan encounters friends and acquaintances of Big Bob while reawakening memories of his childhood My Greatest Teacher is an inspiring tale of how we can transform suffering and pain into forgiveness and love and the lessons we can learn through the most difficult challenges we face Excuses Begone! Dr. Wayne W. Dyer, 2011-01-01 Within the pages of this transformational book Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging If I changed it would create family dramas I m too old or too young I m far too busy and tired I can t afford the things I truly want It would be very difficult for me to do things differently and I ve always been this way may all seem to be true but they re in fact just excuses So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You ll learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You ll ultimately realize that there are no excuses worth defending ever even if they ve always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you ll awaken to the life of your dreams Excuses Begone **The Power of Intention (EasyRead Large Bold Edition)** Wayne W. Dyer, 2004 Intentions generally viewed as a pit bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture In this view and attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed However intention is viewed very differently in this book The author has researched intention as a force in the universe that allows the act to creation to take place This book explores intention not as something you do but as an energy you re a part of We re all intended here through the invisible power of intention Dust jacket
