Brave Ship Brave Men True Wwii Heroism:

Brave Ship, Brave Men Arnold S. Lott, 2013-03-11 Nimitz called this book about the USS Aaron Ward on the radar picket line in the Pacific the finest story of the war that I have been privileged to read *10 True Tales: World War II Heroes* Allan Zullo, 2015-06-30 Ten true stories of real life heroes from World War II Pfc Jack Lucas just a teenager is on patrol on Iwo Jima when two grenades land at his feet Can he save his comrades lives Lt Col James Rudder and his Rangers are climbing a 100 foot high cliff on a secret D Day mission Can they survive the Nazis devastating firepower Sgt Forrest Vosler is blinded and wounded from an attack by German fighter planes on his crippled bomber Can he make it home The world was saved by these and many more real life heroes You will never forget their incredible true stories

Encyclopedia of World War II Alan Axelrod, 2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century **Bargain Basement War Heroes** Bernard F. Flynn, 2015-05-11 A World War II Merchant Marine combat veteran does more than just rock the boat with this book This grandpa opens up a can of worms that should cause some squirming in high places past present or future 1 Kennedys assassination Oswald the State Department Congress and big name personalities are all featured and highlighted in Grandpas story within 2 Accusations of a criminal law that was enacted by the wartime Congress which removed every government benefit that the early volunteers for the Merchant Marine had and reclassified them as migrant workers 3 Why was there acceptance of the never ending scapegoating of these brave heroes which was nothing but pure self serving lies and distortions by the press broadcast media politicians and higher ups in the military 4 Read the absolute truth about the Merchant Marine that is related in this book You can make up your own mind about the wartime Merchant Marine Their wartime contribution to winning that war is incontrovertible Why was the report to President Truman at the end of the war kept a war secret and not made available until 2009 sixty five years later 5 Read the authors take on the wartime start up of his alma mater the United States Merchant Marine Academy at Kings Point New York which is now considered the hidden treasure of our federal academies 6 It is doubtful if any of our seamen especially our African American volunteers understood what really happened in the wartime Congress Those thousands of widows and children who lost all benefits should force a federal disclosure of the facts and the hope of this book is to put them all on full alert The disclaimer and speculation is clearly indicated in the early part of this book Read President Obamas response **Real Bravery** Jack B. Patton, A suspenseful story about the bravery of a hockey athlete who became a soldier in the World War II **Midnight in Ironbottom Sound** Carole Engle Avriett, 2024-10-01 A captivating World War II narrative of an untold story in the Pacific theater In the heart of the Pacific where the tides of World War II surged lies a tale of heroism on the high seas a tale brought to life in Midnight in Ironbottom Sound This is the untold story of the USS Gregory APD 3 a ship manned by unknown sailors whose bravery echoes through the annals of history Upon the decks of this vessel Lieutenant Commander

Harry F Bauer and Mess Attendant Charles J French representing the highest and lowest ranks on the USS Gregory become the focal points of this gripping narrative In the turbulent waters of the Pacific their stories interwoven with the ship s saga whose vital mission was to transport Marine Raiders to bloody beaches emerge as a testament to the resilience of the human spirit and the unwavering commitment to duty Avriett unfolds a a brief but catastrophic chapter of naval history that is often overlooked that of unrelenting warfare during the first few weeks following the initial invasion of the Solomon Islands to the demise of the USS Gregory four weeks later Within this crucible the USS Gregory marked as a minor player takes center stage The ship s designation as an APD its brave crew and the harrowing night of terror they faced set the stage for an unforgettable story Avriett meticulously reveals their heroism and pays homage to the eternal truth that courage has neither color nor prerequisites and that valor hails from within **Battle for Leyte Gulf - Navy - WWII** Philip A. St. John,1996

Encyclopedia of War and American Society Peter Karsten,2006 Publisher description [West Coast Review of Books](#),1986 **Sitting Ducks at Guadalcanal** Lawrence A. De Graw,2023-12-15 On August 7 1942 U S Marines waded ashore in the Solomons defended by warships of the U S Navy The amphibious landing was the first major American ground campaign of the Pacific War intended to prevent the Japanese from establishing naval and air bases in the island chain and to establish Allied bases for future operations Most famously and most gruelingly the invasion marked the beginning of the months long Guadalcanal campaign Caught off guard the Japanese swiftly regrouped for a seaborne counterattack on the night of August 8 9 The result was one of the worst American naval defeats of the war after Pearl Harbor In this meticulous minute by minute retelling of the First Battle of Savo Island Lawrence De Graw covers the navy s role in the initial landings on Guadalcanal before setting the stage for the naval clash that would come the next night On the eighth the American commander fearing Japanese attacks and cautious about fuel levels withdrew his aircraft carriers and let his cruisers and destroyers exhausted from two days of high alert and combat operate with only half their crews on duty The navy was unaware the Japanese had been training to fight at night The American ships were sitting ducks when the Japanese fleet steamed through The Slot between Savo Island and Guadalcanal and into what became known as Ironbottom Sound In little more than thirty minutes the Japanese sent three U S and one Australian heavy cruisers to the bottom and damaged three other vessels The American fleet withdrew from the area for the foreseeable future and limited shipments of men and materiel to the daytime helping turn the battle of Guadalcanal into a long hard slog Sitting Ducks at Guadalcanal is naval history featuring a colorful narrative that covers the big picture as well as stories of individual vessels and sailors as well as a careful analysis of the battle and just what went wrong for the U S Navy off the island of Guadalcanal
