Brazen Femme Queering Femininity:

Brazen Femme Chloë Tamara Brushwood Rose, Anna Camilleri, 2002 An undeniably celebratory and deeply troubling manifesto for the unrepentant bitch this sharp edged collection of fiction prose poetry personal essays photographs and illustrations recognises femme as an identity in flux and in motion Such critically acclaimed writers as Camilla Gibb Sky Gilbert Michelle Tea Amber Hollibaugh and Anurima Banerji unapologetically refuse definitions while exploring their desire to make femininity fit their own queer frames Darlings drag queens whores and action heroes a femme by any other name is spectacular

Queering Femininity Hannah McCann, 2017-12-04 Queering Femininity focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of feminist texts and interviews with self identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics

Queering Desire Róisín Ryan-Flood, Amy Tooth Murphy, 2024-04-05 Queering Desire explores with unprecedented interdisciplinary scope contemporary configurations of lesbian bi queer women s and non binary people s experiences of identity and desire Taking an intersectional feminist and trans inclusive approach and incorporating new and established identities such as non binary masculine of centre MOC butch and femme this collection examines how the changing landscape for gender and sexual identities impacts on queer culture in productive and transformative ways Within queer studies explorations of desire longing and eroticism have often neglected AFAB transfeminine and non binary people s experiences Through 25 newly commissioned chapters a diverse range of authors from early career researchers to established scholars stage conversations at the cutting edge of sexuality studies Queering Desire advances our understanding of contemporary lesbian and queer desire from an inclusive perspective that is supportive of trans and non binary identities This innovative interdisciplinary collection is an excellent resource for scholars undergraduate and postgraduate students interested in gender sexuality and identity across a range of fields such as queer studies feminist theory anthropology media studies sociology psychology history and social theory In foregrounding female and non binary experiences this book constitutes a timely intervention

Feminizing Theory Rhea Ashley Hoskin, 2021-09-09 The term femme originates from 1940s Western working class lesbian bar culture wherein femme

referred to a feminine lesbian who was typically in a relationship with a butch lesbian Expanding from this original meaning femme has since emerged as a form of femininity reclaimed by queer and culturally marginalized folks Importantly femme has also evolved into a theoretical framework Femme theory argues that femme constitutes a missing piece in queer and feminist discourses of femininity Attending to this gap femme theory centres queer femininities as a means of pushing against the deeply embedded masculinist orientation of queer and gender theory Thus femme theory offers tools to shift the way researchers and readers understand femininity as well as systems of gender and power more broadly This book is an introduction to femme theory showcasing how femme can be used as a theoretical framework across a variety of contexts and disciplines such as Film from countries including Canada China Guyana and the USA Femme theory asks readers to reconsider how femininity is conceptualized revealing some of the many taken for granted assumptions that are embedded within cultural discourses of gender sexuality and power The chapters in this book were originally published as a special issue of the Journal of Lesbian Studies

Sport, Sexualities and Queer/Theory Jayne Caudwell, 2007-01-24 The first book focusing exclusively on this subject Sport Sexualities and Queer Theory captures the newest and best writing on an emerging focus of study that brings in perspectives from a number of disciplines including sports studies gender studies sociology cultural studies lesbian and gay studies and queer studies An accessible introduction to this dynamic field this is an explorative analysis of lesbian gay transgender transsexual and intersex people s experiences of sport as well as a rigorous theoretical consideration of sociological and political issues Bringing together in a single source an exciting array of contributions this is an ideal source of inspiration for anyone involved in this rapidly growing field and fills a need for an excellent introduction to the main themes and issues

Passing/Out Kelby Harrison, 2016-05-13 Passing Out adopts an inter generational inter disciplinary and inter subjective approach to the closeting and revelation of sexual identity exploring questions of embodiment ethics and identity in relation to passing or being out Presenting the latest theoretical and empirical work from scholars working across a range of disciplines including sociology cultural and media studies philosophy gender studies literary studies and history this book discusses the nature and history of sexual identity and the manner in which identity functions within social relationships In recognition of the transformative impact of queer theory upon the study of sexuality and identity Passing Out constructs a dialogue between the work of scholars whose intellectual careers began prior to the advent of queer theory and those whose work has been more immediately and directly shaped by this approach with a view to breaking new ground in the field of identity Shedding light on the meaning of passing and outing in relation to identity this volume will be of interest to social scientists and scholars of the humanities working on questions of sexuality identity embodiment and ethics

No Tea, No Shade E. Patrick Johnson, 2016-10-13 The follow up to the groundbreaking Black Queer Studies the edited collection No Tea No Shade brings together nineteen essays from the next generation of scholars activists and community leaders doing work on black gender and sexuality Building on the foundations laid by the

earlier volume this collection's contributors speak new truths about the black queer experience while exemplifying the codification of black queer studies as a rigorous and important field of study Topics include raw sex pornography the carceral state gentrification gender nonconformity social media the relationship between black feminist studies and black trans studies the black queer experience throughout the black diaspora and queer music film dance and theater The contributors both disprove naysayers who believed black queer studies to be a passing trend and respond to critiques of the field's early U S bias Deferring to the past while pointing to the future No Tea No Shade pushes black queer studies in new and exciting directions Contributors Jafari S Allen Marlon M Bailey Zachary Shane Kalish Blair La Marr Jurelle Bruce Cathy J Cohen Jennifer DeClue Treva Ellison Lyndon K Gill Kai M Green Alexis Pauline Gumbs Kwame Holmes E Patrick Johnson Shaka McGlotten Amber Jamilla Musser Alison Reed Ramon H Rivera Servera Tanya Saunders C Riley Snorton Kaila Story Omiseke Natasha Tinsley Julia Roxanne Wallace Kortney Ziegler

Deviant Leisure and Events of Deviance Ian R. Lamond, Rosie Garland, 2023-04-07 This volume is the first to draw together theoretical reflection empirical research and critical reflection on practice occurring at the juncture of critical approaches in leisure studies and event studies within diverse explorations of deviance It includes chapters on games and gaming performing queerness events around being kinkster drugs and sex LGBTQ events and activism and goth subculture These are combined with poetry personal reflection and artwork much of which has been created by contributors The compendium draws on inquiry undertaken by contributors from a wide spectrum of academic disciplines as well as deviant leisure practitioners event organisers It seeks to expand the cultural and academic articulation of deviance into other disciplines and to develop new perspectives on deviant leisure and deviant leisure practice It speaks to students researchers and practitioners working or interested in critical leisure and event studies queer theory cultural theory burlesque circus studies media studies and discourse studies

All Equally Real: Femininities and Masculinities Today Anna Pilińska, Harmony Siganporia, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 This volume is a collection of research papers which deem gender identities to be dynamic and multiple categories refusing resolutely to reduce their complexity to fit neat extant binaries It attempts to grapple with the dialectic which emerges from the fact that while there is a certain resistance to being labeled in contemporary discourses on sexuality gender identities actively influence how we interpret the world and how we function within it we exist amongst patterns models and behaviours as well as among people who virtually demand to be labeled because to them this forms the basis of a stable identity Various cultural perspectives and realities are here given voice bringing to bear upon the reader the need to identify privileges they might take for granted but which are unobtainable elsewhere As the curtain of one's own cultural context is lifted this volume hopes that these privileges are even if for a moment no longer invisible

Occupational Therapies without Borders - Volume 2 Frank Kronenberg, Nick Pollard, Dikaïos Sakellariou, 2011-10-24 The companion text to Occupational Therapy without Borders Volume 1 learning from the spirit of survivors In this landmark text writers from

around the world discuss a plurality of occupation based approaches that explicitly acknowledge the full potential of the art and science of occupational therapy The profession is presented as a political possibilities based practice concerned with what matters most to people in real life contexts generating practice based evidence to complement evidence based practice As these writers demonstrate occupational therapies are far more than as some critical views have suggested a monoculture of practice rooted in Western modernity Nobel Peace Laureate Desmond Tutu captures the ethos of this book which essentially calls for engagements in the service of a purpose that is larger than the advancement of our profession s interests Your particular approach to advancing our wellbeing and health strikes me as both unique and easily taken for granted Whilst you value and work with medical understandings your main aim seems to go beyond these You seem to enable people to appreciate more consciously how what we do to and with ourselves and others on a daily basis impacts on our individual and collective wellbeing As occupational therapists you have a significant contribution to make allowing people from all walks of life to contribute meaningfully to the wellbeing of others Links philosophy with practical examples of engaging people in ordinary occupations of daily life as a means of enabling them to transform their own lives Includes contributions from worldwide leaders in occupational therapy research and practice Describes concrete initiatives in under served and neglected populations Looks at social and political mechanisms that influence people s access to useful and meaningful occupation Chapters increase diversity of contributions geographically culturally and politically Emphasis on practice education and research maintains academic credibility A glossary and practical examples in nearly every chapter make text more accessible to students
