Antimicrobial Susceptibility Testing James A. Poupard, Lori R. Walsh, Bruce Kleger, 2013-11-21 The papers assembled in this collection comprise a majority of the oral presentations as well as several poster presentations given at the 22nd Annual Symposium arranged by the Eastern Pennsylvania Branch of the American Society for Microbiology. The symposium would not be possible without the generous support of the many sponsors see sponsor list or without the concerted effort of all the Committee members. This Symposium series has evolved into an annual Eastern Pennsylvania Branch ASM event that attracts participants from a wide geographic area. It should be noted that one of the hallmarks of these symposia involves interaction between the presenters and those in attendance. Several authors have altered their by the participants. Therefore the manuscript that manuscripts based on comments follows should be viewed as a group effort of both the participants and presenters.
