Mindset for Weight Loss Shawn Burke,2019-10-04 A Mindset for Weight Loss Can work within Your Comfort Zone There s a popular saying If it doesn t challenge you it won t change you When it comes to weight loss this saying is your mantra If you re overweight or obese in most cases it s the result of a sedentary lifestyle and poor food choices There s no escaping this harsh truth Your body is a reflection of your actions You wear what you eat and once you proactively accept ownership of the situation it ll be much easier to make changes and get ahead Affirmations for a Positive Weight Loss Mindset Affirmations encourage self change when you use them They act as reminders and inspiration to help you focus on your weight loss goals during your day The most significant benefit gained from using affirmations is that they focus attention on your goals and promote positive thoughts through a considerable change in your life Your weight loss progress will mostly be determined by your diet You ll need to gradually cut down on the starchy carbohydrates processed foods and junk food You ll also need to reduce your portion sizes Even if you re making small changes your body will resist because we re all creatures of habit While manageable it ll still be a challenge to stay disciplined and not drink the third can Accept this fact Change will be met with resistance Yet change is necessary Old habits are hard to break but they can be broken The act of breaking them will mean proactively seeking to make changes Since most changes take place outside the comfort zone you can expect some inconvenience and hassle When trying to form a new habit it ll take time because not only do you have to overcome the negative repercussions of breaking the old ones but you ll also need to find the discipline to stick to the new ones which usually don t seem fun at all So persevere until the habit is no longer a struggle When you look for a weight loss affirmation seek out a positive statement about your weight loss process By now you ll realize that losing weight is a mental challenge and not a physical one Step out of your comfort zone and make the necessary changes to achieve your weight loss goal If you always do what you ve always done you ll always get what you ve always got Henry Ford [The Maker's Diet for Weight Loss](#) Jordan Rubin,2013-12-28 The Best Way to Lose Weight The Maker s Way Designed as a follow up to his New York Times best seller The Maker s Diet Jordan Rubin takes his nutritional strategies to the next level in this 16 week program calculated to help you not only achieve your weight loss goals but maintain them in the future By addressing your whole person body mind emotions and spirit The Maker s Diet for Weight Loss will help you reach a weight that makes you look good and feel great about yourself as you Eat for your body type age gender and region Maximize nutrients while reducing calories Eliminate toxins inside and outside your body Learn the best ways to cheat without getting off track With sold medical advice from Bernard Bulwer MD an advanced fellow at one of the premier teaching hospitals at Harvard Medical School The Maker s Diet for Weight Loss presents a holistic approach to weight loss that will change your life forever *The Handbook of Intermittent Fasting - Effective Solutions for Weight Loss & Muscle Definition* Idai Makaya,2009-10 Idai Makaya a British Martial Arts Conditioning Expert and Magazine Columnist presents his take on
