Silverman,2019-04-03 The first book to explore the life and extraordinary work of the legendary moviemaker who directed Singin in the Rain On the Town and Funny Face from the author of David Lean Silverman has captured one of the world s truly great filmmakers Billy Wilder Stanley Donen is the man who forever changed the Hollywood musical moving it away from the Busby Berkeley extravagance to a felt integration of the songs and dances He is also the man who helped shape the sophisticated romance exemplified by Indiscreet and Charade The author with Donen s cooperation has brilliantly revealed Donen s fifty year career first in the theater next in Hollywood and then abroad We see Donen s collaborations with Fred Astaire Cary Grant Gene Kelly and Frank Sinatra And we see his work with Rodgers and Hart Alan Lerner Comden and Green Roger Edens Arthur Freed Michael Kidd and Bob Fosse We watch Donen growing up in the South in the 1930s seeking refuge at movies watching Fred Astaire dance on the screen and forever changed by it And then at sixteen fleeing to New York where he lands his first job in the chorus of the groundbreaking musical Pal Joey directed by George Abbott starring Gene Kelly and appearing next in Best Foot Forward We follow Donen west to MGM first he was a chorus boy then assistant choreographer next embellishing Anchors Aweigh dreaming up the almost technically impossible notion of having its star Gene Kelly dance with a cartoon character Jerry the Mouse and in the next decade making one great musical after another We hear Donen s recollections of life and work on the sets of Singin in the Rain Royal Wedding Funny Face Seven Brides for Seven Brothers On the Town The Pajama Game Indiscreet Charade Two for the Road Arabesque Bedazzled and other movies he directed We see him through the eyes of more than one hundred of his contemporaries whom in addition to Donen himself Silverman has interviewed at length from Kay Thompson and Billy Wilder to Deborah Kerr Audrey Hepburn Debbie Reynolds Gregory Peck and Cyd Charisse Dancing on the Ceiling gives close up a great director and a lost Hollywood on whose silver screen wit and charm abounded *The Cinematic Legacy of Frank Sinatra* David Wills,2025-06-25 In a film career spanning more than five decades Frank Sinatra proved to be a roulette wheel of constantly spinning talent the likes of which Hollywood has rarely seen Film history is filled with stars created by the studio system Occasionally however a performer emerged who against all preconceived odds of what a star should be or look like knocked down the walls of convention by becoming nothing other than what they already were Frank Sinatra was the embodiment of this fundamental truth The legacy of his work stands apart from many of his contemporaries who essentially based their performances on an extension of a core character type Sinatra however was able to take his signature persona and translate it successfully into many film

genres first as the comedic song and dance man then as the dramatic actor and romantic lead and finally as the tough guy and action hero Sinatra also respectfully challenged contemporary ideals of acting technique While being humble enough to learn from his peers he kept his acting style fresh and instinctual and earned an Oscar at a time when many actors were either classically trained or coached in the Method In *The Cinematic Legacy of Frank Sinatra* author David Wills presents a stunning collection highlighting the work of one of Hollywood's greatest stars in roles as varied as those in the classics *Anchors Aweigh* *From Here to Eternity* *Suddenly, Guys and Dolls* *The Man With the Golden Arm* *Ocean's 11* *The Manchurian Candidate* *Von Ryan's Express* and *The Detective* Pairing more than two hundred first generation photos with reflections on Sinatra from costars and work associates and including contributing essays by his children Nancy Sinatra Tina Sinatra and Frank Sinatra Jr it is an unforgettable showcase of the actor's transformation from world famous singer to movie star to Academy Award winner and finally to one of the most enduring icons in cinema history **The Agency** Frank Rose, 1996

The story of the William Morris Agency is the story of show business itself Founded at the turn of the century it stood as the premier agency in Hollywood for 80 years With unvarnished descriptions of the board that runs William Morris and the needy and demanding stars they represent *The Agency* is a compelling tale that lifts the curtain on the most intriguing business in America today Photos **Hermes Pan** John Franceschina, 2012-06-08 Hermes Pan The Man who Danced with Fred Astaire is a rags to riches story about a boy from Tennessee who armed with only an 8th grade education an inexhaustible imagination and an innate talent for dancing becomes the most prolific and popular choreographer of the glory days of the Hollywood musical
