Animals In Heaven:

Animals in Heaven Arch Stanton, 2004 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God s purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn t care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in

which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By *We Will See Our Pets In Heaven* Brian Burgess,2013-08-22 Biblical Evidence That Animals Really Do Go To Heaven If you have pets or are grieving the loss of a pet then you must read this book We love our pets and they love us They become part of the family and it is painful when we have to say goodbye however you will be comforted to know that they are not gone forever as many people would believe Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father desire that we or his animals would suffer death The pets that we had to say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior Your Pet Is Not Gone Forever I know how hard it is to lose a pet I ve had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away Dealing with the loss of a pet is difficult especially when you ve been taught as a child and led to believe throughout the years by misinformed people such as parents family and friends that they are gone forever and that you ll never see them again After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject What I found out was very comforting and I know you will be comforted too when you read this book *Animals in Heaven?* Susi Pittman,2009-11-05 It is always hard to say good bye As Catholics we know that our human loved ones are called by Christ to join Him in eternity dwelling in heavenly bliss before God enlightened by the light of glory sharing in the fullness of the eternal life Christ has prepared for us But what about our pets and the animals that fill the earth and our lives with such special beauty Does God have a place for them Where do animals go when they die Are they just dust What is the destiny of creation Does God really care about any of creation besides man Would God the Author of all life cast the non human creation He called good into nothingness Isn t it illogical to believe that God would find worthless that which is hard wired to give Him praise Is it so hard to understand that animals created by God with a particular good would not also have knowledge of their Creator It is a universal concern for stewards of creation who in their humanness consider such questions in their hearts I write this book as a way to explore tenets of the Catholic faith that address creation of bringng insight and spiritual truths to animal lovers and lovers of creation and as evidential support of the truth that all creation was given its order time place and purpose from its Creator who sustains and preserves it at all times always **Pets and Heaven** Neal Otto Hively,PA Original Land Rcds,2010 **Heaven Is for Animals Too** Melinda Cerisano,2015-02-13 If you are an animal lover or if you have experienced the dreadful pain of losing a beloved pet fasten your seatbelt for this is a journey into the age old controversy do animals go to heaven For almost a decade Melinda
