Approximately Heaven:

Approximately Heaven James Whorton, 2008-06-17 Enter the distinctly off kilter world of Don Wendell Brush an unemployed Tennessee electrician with a penchant for throwing back a few beers before lunch Mary his long suffering wife of seven years has left him or is trying to Heartsick at the thought of losing her Don beats her out the door reasoning that if he leaves Mary will have to stay behind in their ramshackle house to take care of their dog and cat On the strength of this logic Don finds himself out on the street with only his decrepit old truck the shirt on his back and nothing to do but avoid home Approximately Heaven is a marvelously rambunctious debut by turns melancholy and uproarious about one hapless man s pursuit of happiness or at least another six pack preferably both The novel charts Don s amiably clumsy attempts to improve his situation beginning with his decision to take a road trip with his friend Dove Ellender a retired chain drinking ex felon with emphysema to Mississippi to deliver some furniture Or maybe there s something besides furniture in the trailer behind Dove s leaky half ton green and white 1969 Ford truck but Don isn t asking and Dove s not telling Will Don find his heaven or something close to it Will Mary give him another chance his fourth actually If heaven is a house that is square level and plumb with a loving family inside then for Don even a sober hope of these things would be enough In the course of his hero s grand misadventures prizewinning short story writer James Whorton traverses the broken white line between the absurd and the desperately poignant Fans of Richard Russo will want to raise a glass or at least crack open a can of Natural Light Featuring an endearingly flawed protagonist dead perfect dialogue and a mordant eye for small town southern life Approximately Heaven is about the paradise we long for and the approximations for which we settle It heralds the arrival of a major and heaven sent new literary talent

Mathews, 2012-09-06 If you have ever hoped that you could see or experience aspects of heaven while on earth then Heaven 3 0 is the book for you Heaven has begun reigning down Gods messages glory and revelation as every day circumstances allow people to witness God promises about heaven Consider just two facts matched against Gods promises 1 every day in the world over 770 people witness a glimpse of heaven through a near death experience and 2 Millions of people around the world have switched their religious beliefs based on a heavenly dream they experienced Documented stories like these allow humanity to touch heaven and see another generational cycle of truth about heaven Heaven 3 0 allows readers to realize we are entering a 3rd generation of knowledge about the greatest place know to every person who has and will walk planet earth and that place is called heaven Heaven 3 0 will challenge delight and inform every reader about their opportunity to enter into full view of Gods promises God informs us to watch for signs and wonders in the heavens Acts 2 19 and that the Heavens would open up and rain down righteousness Isaiah 45 8 Heaven 3 0 allows readers to enjoy the promise of heaven and realize that the advances of the world are not just for physical things such as technology media and entertainment but also for the things that pertain to the Kingdom of Heaven Both Heaven as well as earth advance and the Author of Heaven 3 0 encourages you to see and believe in

the advancement while staying connected to scriptural truth This advancement allows anyone who is willing to see and believe that the common ground and destiny called heaven was prepared for people of every tribe tongue and nation **The Unchurched Next Door** Thom S. Rainer, 2009-05-26 In a national survey conducted by author Thom Rainer and his staff eight out of ten unchurched men and women said they would come to church if only someone would invite them When and how is the next big question Rainer helps you figure out where your neighbors friends and coworkers are in their spiritual quest and how you can know who among the unchurched people in your life are receptive to Christ In this fascinating book Rainer identifies five faith stages that represent your running buddy your sister in law or your hairdresser A discovery we made is that reaching lost and unchurched people is not always best accomplished with some cookie cutter strategy Rainer writes The unchurched are different in how they respond to the gospel How different You will be amazed at the variables that exist when it comes to how open people are to the Christian message Open this book and open your mind and heart to the powerful new possibilities of reaching The Unchurched Next Door Heaven's Reach David Brin, 2021-05-25 Prepare for a harrowing ride through the universe by the New York Times bestselling author of Startide Rising and The Postman Book Three in the Uplift Storm Trilogy The peaceful existence of six outcast races on Jijo has ended Ancient enemies the Jophur have discovered them preparing to subject the refugees to their dark perverted plans The Jijoans only hope is the same ship that accidentally led their foes to the planet The Earthship Streaker with its crew of uplifted dolphins and a human commander must somehow lure the Jophur into a chase through space into the unknown And then into the weird More than just the fate of Jijo or that of distant Earth also suffering a deadly siege hangs in the balance Some believe a terrifying prophecy is about to come true one that involves Streaker's trove of artifacts coveted by factions throughout all Five Galaxies As countless white dwarf stars verge on unexpected explosion all sentient life in the universe appears to be at risk unless someone can save them Praise for the Hugo and Nebula Award winning Uplift Saga The Uplift books are as compulsive reading as anything ever published in the genre The Encyclopedia of Science Fiction An extraordinary achievement Poul Anderson award winning author of Tau Zero on Startide Rising An exhilarating read that encompasses everything from breathless action to finely drawn moments of quiet intimacy Locus on The Uplift War Tremendously inventive ambitious work Kirkus Reviews on Brightness Reef **Taxing Heaven's Storehouse** Paul J. Smith, 2020-10-26 Tea growing was a prosperous industry in Sichuan when Wang Anshi's New Policies created a Tea Market Agency to buy up Sichuanese tea and trade it to Tibetan tribesmen for cavalry horses At first the highly autonomous agency not only acquired the needed horses but made a profit After the Junchen conquest of North China however market realities changed and the combined Tea and Horse Agency's once successful policies ruined tea farmers failed to meet quotas for horses and ran a deficit Paul J Smith details the workings of Sichuan tea farming and the tea trade examines the geopolitical factors that forced the Song to buy horses and graphically describes the difficulties of driving them more than a thousand miles through rugged mountains with only

inexperienced conscripts as trail hands In this study of fiscal sociology Smith also explains how the Tea and Horse Agency transformed the Sichuan local elite which was notorious for its resistance to state power into imperial civil servants eager to tax their own region He draws on modern theories of corporate behavior to explain what made the inner workings of the Agency an extraordinary departure for the Chinese civil service and he demonstrates how the agency put into practice the most radical New Policies theories of state economic activism The Agency made entrepreneurs out of bureaucrats but ultimately became ruinously tyrannical as the system of state rewards and punishments drove its personnel to actions that crippled key sectors of the economy

Only the Third Heaven? Paula Gooder, 2006-09-05 In Chapter 1 Paula Gooder discusses the problems of interpreting this text and looks at the major debates of its past interpreters The most popular modern approach is to compare it with other texts of ascent in the Judaeo Christian tradition yet even a brief examination of these texts indicate that differences are present In the remainder of the book Gooder evaluates the extent and significance of these differences Part One consists of a detailed consideration of a range of texts which superficially seem closest to 2 Corinthians 12 Chapter 2 presents a history of scholarship on heavenly ascent Chapters 3 to 8 each examine a text of ascent from a different period and background in the Judaeo Christian tradition Chapter 9 draws out the points of similarity between these texts Part Two considers the text of 2 Corinthians 12:1-10 in the light of the findings of Part One In the detailed examination of the Pauline ascent in chapter 10 the extent of the differences between this text and the texts examined in Part One becomes clear Chapter 11 proposes a new interpretation of the account of ascent arguing that it reports a failed ascent into heaven The chapter shows that this interpretation makes sense not only of 2 Corinthians 12:1-10 itself but also of chapters 10-13 which surround it The account is one more example of weakness from the apostle in which he proves that weakness not strength is the sign of a true apostle

Heaven's Gate Benjamin E Zeller, Robert W Balch, 2014-10-31 The captivating story of the religious group focused on transcending humanity and the Earth and seeking salvation in the literal heavens on board a UFO 2015 Best Book Award from the Communal Studies Association In March 1997 thirty nine people in Rancho Santa Fe California ritually terminated their lives To outsiders it was a mass suicide To insiders it was a graduation This act was the culmination of over two decades of spiritual and social development for the members of Heaven's Gate In this fascinating overview Benjamin Zeller not only explores the question of why the members of Heaven's Gate committed ritual suicides but interrogates the origin and evolution of the religion its appeal and its practices By tracking the development of the history social structure and worldview of Heaven's Gate Zeller draws out the ways in which the movement was both a reflection and a microcosm of larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven's Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a

single religious body In the only book length study of Heaven s Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven s Gate that is presently available Choice
