

VIRGINIA COLE TRENHOLM

THE ARAPAHOES, OUR PEOPLE

Arapahoes Our People

L Darling-Hammond

Arapahoes Our People:

The Arapahoes, Our People Virginia Cole Trenholm, 1986 The Arapahoes who simultaneously occupy the three major divisions of the Great Plains are typical but the least known of the Plains tribes Overshadowed by their more hostile allies the Sioux and Cheyennes they have been neglected by historians This book traces their history from prehistoric times in Minnesota and Canada to the turn of the century in Wyoming Montana and Oklahoma when their cultural history ended and adjustment to the white man s way began It covers their way of life dealings with traders treaties battles division into branches and reservation life There are detailed accounts of the Ghost Dance and peyote cult A study of the two branches Southern and Northern is a dramatic lesson in the effects of acculturation Forced to accept the white man s way the Southern people after losing their ceremonials and tribal lands in Oklahoma have gradually resigned themselves to the alien culture The Northern Arapahoes on the Wind River Reservation in Wyoming however still cling to their original traditions They tell their time honored tales pour out their souls in music and dance to their drums much as they did in pre reservation days although they dress in the manner of the white man and abide by his regulations Flat Pipe the sacred palladium said to have come to our people when the world began stays in their safe keeping and they honor it in occasional ceremony The Pipe is the unifying symbol of the two branches of the tribe

Traditions of the Arapaho George Amos Dorsey, 1997-01-01 First published in 1903 by The Field Columbian Museum Chicago

The Arapaho Loretta Fowler, 2009 Examines the history culture and changing fortunes of the Arapaho Indians

Trust Funds, Shoshone and Arapaho Indian Tribes United States. Congress. House. Committee on Interior and Insular Affairs, 1947

Great Plains Ethnohistory Rani-Henrik Andersson, Logan Sutton, Thierry Veyrié, 2024-12 This collection offers state of the field work in Great Plains ethnohistory both contemporary and historical covering the traditional anthropological subfields of ethnography culture history archaeology and linguistics

Indian Tribes of Oklahoma Blue Clark, 2012-11-09 Oklahoma is home to nearly forty American Indian tribes and includes the largest Native population of any state As a result many Americans think of the state as Indian Country For more than half a century readers have turned to Muriel H Wright s *A Guide to the Indian Tribes of Oklahoma* as the authoritative source for information on the state s Native peoples Now Blue Clark an enrolled member of the Muscogee Creek Nation has rendered a completely new guide that reflects the drastic transformation of Indian Country in recent years As a synthesis of current knowledge this book places the state s Indians in their contemporary context as no other book has done Solidly grounded in scholarship and Native oral tradition it provides general readers the unique story of each tribe from the Alabama Quassartes to the Yuchis Each entry contains a complete statistical and narrative summary of the tribe encompassing everything from origin tales and archaeological research to contemporary ceremonies and tribal businesses The entries also include tribal websites and suggested readings along with photographs depicting prominent tribal personages visitor sites and accomplishments

Multicultural America Carlos E. Cortés, 2013-08-15 This

comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

The Discovery of the Oregon Trail Robert Stuart, 1995-01-01 Robert Stuart saw the American West a few years after Meriwether Lewis and William Clark and like them kept a journal of his epic experience A partner in John Jacob Astor s Pacific Fur Company the Scotsman shipped for Oregon aboard the Tonquin in 1810 and helped found the ill fated settlement of Astoria at the mouth of the Columbia River In 1812 facing disaster Stuart and six others slipped away from Astoria and headed east His journal edited and annotated by Philip Ashton Rollins describes their hazardous 3 700 mile journey to St Louis Crossing the Rockies in winter they faced death by cold starvation and hostile Indians But they made history by discovering what came to be called the Oregon Trail including South Pass over which thousands of emigrants would travel west in mid century Besides Stuart s narrative this volume contains important material about Astoria and the fate of the Tonquin as well as the harrowing account of Wilson Price Hunt who headed a party of overlanders traveling east to join the Astorians

Voices in the Drum R. David Edmunds, 2023-10-24 The history of indigenous peoples in North America is long and complex Many scholarly accounts now rely on statistical data to reconstruct this past but amid all the facts and figures it is easy to lose sight of the human side of the story How did Native people express their thoughts and feelings and what sources of strength did they rely on to persevere through centuries of change In this engaging narrative acclaimed historian R David Edmunds combines careful research with creative storytelling to give voice to indigenous individuals and families

and to illustrate the impact of pivotal events on their lives A nonfiction account accompanies each narrative to provide necessary historical and cultural context Voices in the Drum features nine stories each of which focuses on a fictional character who is a composite or representation of historical people This series of portrayals takes the reader on an epic journey through time beginning in the early 1400s with the Mound Builder cultures and ending with the modern day urbanization of Native people Along the way we observe fictional characters interacting with real historical figures such as Anthony Wayne Tecumseh and John Sutter and taking part in actual events such as the Battle of Fallen Timbers the Trail of Tears the California gold rush and the forced removal of Native children to off reservation boarding schools The people portrayed in these pages belong to various tribes including Potawatomis Lakotas Oneidas and Cherokees Their individual stories ranging from humorous to tragic give readers a palpable sense of how tribal peoples reacted to the disruptive changes forced on them by European colonizers and U S government policies Both entertaining and insightful the stories in this volume traverse a range of time periods events themes and genres As such they reverberate like voices in the drum inviting readers of all backgrounds to engage anew with the rich history and cultures of indigenous peoples *Arapahoe Politics, 1851-1978* Loretta Fowler, 1986-01-01 The Northern Arapahoes of the Wind River Reservation contradict many of the generalizations made about political change among native plains people Loretta Fowler explores how in response to the realities of domination by Americans the Arapahoes have avoided serious factional divisions and have succeeded in legitimizing new authority through the creation and use of effective political symbols

Right here, we have countless books **Arapahoes Our People** and collections to check out. We additionally find the money for variant types and as a consequence type of the books to browse.
