Arcana Caelestia, the Heavenly Arcana Contained in the Holy Scriptures - Emanuel Swedenborg, 2016-06-06 Arcana Caelestia The Heavenly Arcana Contained in the Holy Scriptures Vol I by Emanuel Swedenborg This book is a reproduction of the original book published in 1879 and may have some imperfections such as marks or hand written notes **Arcana Coelestia** Emanuel Swedenborg, 1910 *Arcana Coelestia, Volume 2* Emanuel Swedenborg, 2013-11-08 This is an exposition of the internal or spiritual sense of the books of Genesis and Exodus according to the law of correspondences It unfolds the spiritual significance of the creation of the stories of Adam and Eve and of the deluge of the lives of the patriarchs of the captivity of the chosen people in Egypt and of their deliverance therefrom and of their subsequent history of the ritual of the Jewish religion its sacrifices and observances and in general traces the foreshadowing through both books of the incarnation and glorification of the Lord Jesus Christ Many passages from other parts of the Word are also fully explained Relations of things heard and seen in the spiritual world are interspersed explaining the process of dying and of man's resuscitation and conscious entrance into the interior life the nature of the soul of heaven and heavenly joy and of hell its nature and its miseries It also treats of the Grand Man or the whole angelic heaven and the correspondence of the societies therein with the different organs and senses of the body the origin and correspondence of diseases the spirits and inhabitants of the various planets and of other earths in the starry heavens All of which are related to a true understanding of the Divine Word This is book 2 out of 12 and covers Genesis 10 17 **Arcana Caelestia, Vol. 1** Emanuel Swedenborg, 2015-07-20 Excerpt from Arcana Caelestia Vol 1 The Heavenly Arcana Contained in the Holy Scriptures or Word of the Lord Unfolded Beginning With the Book of Genesis Together With Wonderful Things Seen in the World of Spirits and in the Heaven of Angels 4 It is impossible whilst the mind abides in the literal sense only to see that it is full of such spiritual contents Thus in these first chapters of Genesis nothing is discoverable from the literal sense but that they treat of the creation of the world and of the garden of Eden which is called Paradise and also of Adam the first created man and scarcely a single person supposes them to relate to any thing besides But that they contain arcana which were never heretofore revealed will sufficiently appear from the following ages where it will be seen that the first chapter of Genesis in its internal sense treats of the New Creation of man or of his Regeneration in general and specifically of the most ancient church and this in such a manner that there is not a single syllable which does not represent signify and involve something spiritual 5 That this is really the case in respect to the Word it is impossible for any mortal to know however except from the Lord Wherefore it is expedient here to premise that of the Lord's divine mercy it has been granted me now for several years to be constantly and uninterruptedly in company with spirits and angels hearing them converse with each other and conversing with them Hence it has been permitted me to hear and see things in another life which are astonishing and which have never before come to the knowledge of any man nor entered into his imagination I have there been instructed concerning different kinds of spirits and the state of souls after

death concerning hell or the lamentable state of the unfaithful concerning heaven or the most happy state of the faithful and particularly concerning the doctrine of faith which is acknowledged throughout all heaven on which subjects by the divine mercy of the Lord more will he said in the following pages Chapter I 1 In the beginning the God created heaven and the earth 2 And the earth was vacuity and emptiness and darkness was upon the faces of the abyss And the Spirit of God moved upon the faces of the waters 3 And God said Let there be light and there was light 4 And God saw the light that it was good and God divided between the light and the darkness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Arcana Coelestia** Emanuel
