Marcia McClintock Folsom

Approaches To Teaching Austen's Pride :

Approaches to Teaching Austen's Pride and Prejudice Marcia McClintock Folsom, 1993 Now at seventy three volumes this popular MLA series ISSN 1059 1133 addresses a broad range of literary texts Each volume surveys teaching aids and critical material and brings together essays that apply a variety of perspectives to teaching the text Upper level undergraduate and graduate students student teachers education specialists and teachers in all humanities disciplines will find these volumes particularly helpful

Approaches to Teaching Austen's Persuasion Marcia McClintock Folsom, John Wiltshire, 2021-04-25 Offers pedagogical techniques for teaching Jane Austen's Persuasion including considerations of social class gender philosophy disability studies the author's life and the history of the Napoleonic Wars Gives syllabus suggestions for undergraduate and graduate courses in nineteenth century English literature the history of the novel and women's writing

Approaches to Teaching Austen's Mansfield Park Marcia McClintock Folsom, John Wiltshire, 2014-10-01

There were no reviews of Mansfield Park when it first appeared in 1814 Austen's reputation grew in the Victorian period but it was only in the twentieth century that formal and sustained criticism began of this work which addresses the controversies of its time more than Austen's earlier novels did Lionel Trilling praised Mansfield Park for exploring the difficult moral life of modernity Edward Said brought postcolonial theory to the study of the novel and twenty first century critics scrutinize these and other approaches to build on and go beyond them This volume is the third in the MLA Approaches series to deal with Austen's work Pride and Prejudice and Emma were the subject of the first and second volumes on Austen respectively It provides information about editions film adaptations and digital resources and then nineteen essays discuss various aspects of Mansfield Park including the slave trade the theme of reading elements of tragedy gift theory landscape design moral improvement in the spirit of Samuel Johnson and of the Reformation sibling relations card playing and interpretations of Fanny Price the heroine not as passive but as having some control

Approaches to Teaching Austen's Emma Marcia McClintock Folsom, 2004-01-01

Critical Approaches to Teaching the High School Novel Crag Hill, Victor Malo-Juvera, 2018-10-25 This edited collection will turn a critical spotlight on the set of texts that has constituted the high school canon of literature for decades By employing a set of fresh vibrant critical lenses such as youth studies and disabilities studies that are often unfamiliar to advanced students and scholars of secondary English this book provides divergent approaches to traditional readings and pedagogical practices surrounding these familiar works By introducing and applying these interpretive frames to the field of secondary English education this book demonstrates that there is more to say about these texts ways to productively problematize them and to reconfigure how they may be read and used in the classroom

Approaches to Teaching Austen's Emma Marcia McClintock Folsom, 2004

Approaches to Teaching the Novels of Nella Larsen Jacquelyn Y. McLendon, 2016-09-01 Offers techniques for teaching Larsen's novels including bringing race gender class biography queer theory jazz classical music visual art Modernism the Harlem Renaissance marriage law and the

tragic mulatta into college classrooms Includes information on editions reference works and online resources Gives syllabus suggestions for undergraduate and graduate courses *A Companion to Jane Austen Studies* Robert Thomas Lambdin, Laura Lambdin, 2000-09-30 Jane Austen significantly shaped the development of the English novel and her works continue to be read widely today Though she is best known for her novels *Sense and Sensibility* *Pride and Prejudice* *Mansfield Park* *Emma* *Northanger Abbey* and *Persuasion* she also wrote poems letters prayers and various pieces of juvenalia These writings have been attracting the attention of scholars her major works have already generated a large body of scholarly and critical studies This reference is a guide to her works and the response to them Austen's works are fraught with ambiguity Because she was adept at displaying numerous aspects of an issue her writings invite multiple interpretations In light of the ambiguity of her texts each of her major works is approached from a reader response perspective in which an expert contributor illuminates the reader's relationship to her writing And because so many readers have had such varied responses to her novels the volume also includes chapters summarizing the critical response to each of her major works In addition the book includes separate chapters on her poems letters and prayers *Recreating Jane Austen* John Wiltshire, 2001-08-02

Recreating Jane Austen is a book for readers who know and love Austen's work Stimulated by the recent crop of film and television versions of Austen's novels John Wiltshire examines how they have been transposed and recreated in another age and medium Wiltshire illuminates the process of recreation through the work of the psychoanalyst Donald Winnicott and offers Jane Austen's own relation to Shakespeare as a suggestive parallel Exploring the romantic impulse in Austenian biography Jane Austen as a commodity and offering a re interpretation of *Pride and Prejudice* this book approaches the central question of the role Jane Austen plays in the contemporary cultural imagination *The Routledge Companion to Jane Austen* Cheryl A. Wilson, Maria H. Frawley, 2021-10-13 First published anonymously as a lady Jane Austen is now among the world's most famous and highly revered authors The Routledge Companion to Jane Austen provides wide ranging coverage of Jane Austen's works reception and legacy with chapters that draw on the latest literary research and theory and represent foundational and authoritative scholarship as well as new approaches to an author whose works provide seemingly endless inspiration for reinterpretation adaptation and appropriation The Companion provides up to date work by an international team of established and emerging Austen scholars and includes exciting chapters not just on Austen in her time but on her ongoing afterlife whether in the academy and the wider world of her fans or in cinema new media and the commercial world Parts within the volume explore Jane Austen in her time and within the literary canon the literary critical and theoretical study of her novels unpublished writing and her correspondence and the afterlife of her work as exemplified in film digital humanities and new media In addition the Companion devotes special attention to teaching Jane Austen
