Theology and Literature in the Age of Johnson Melvyn New, Gerard Reedy, 2012-06-14 Theology and Literature in the Age of Johnson Resisting Secularism contains seventeen essays exploring the complex relationships between literary intentions and theological concerns of authors writing in the second half of the eighteenth century The diversity of literary forms and subjects from Fielding and Richardson to Burke and Wollstonecraft is matched by a diversity of approaches and theologies To argue that the age resisted secularism is by no means to argue that resistance was blindly doctrinal or rigidly uniform The many ways secularism could be resisted is the subject of the collection Published by University of Delaware Press Distributed worldwide by Rutgers University Press

Samuel Johnson and the Art of Sinking 1709-1791 Freya Johnston, 2005-02-17 The traditional view of Samuel Johnson as hostile to particulars trifles and aesthetic mediocrity only half explains his authorial character Samuel Johnson and the Art of Sinking 1709 1791 argues that in a period dominated by social and literary hierarchies Johnson s works reveal a defining interest in little mean or low topics and people Freya Johnston moves away from a critical emphasis on what literature of this period excludes to consider its modes of including recalcitrant material Of necessity finite any piece of writing is informed by the subject matter it omits or to which it indirectly alludes How can we identify the peripheral topics or characters purportedly excluded from a text unless it provides compelling inferences that oblige us to supply the omission In which case something subtler is at work than barefaced proscription Rehearsing the comparative merits of great and little things Johnson and his contemporaries tested the opposing claims of pagan and Christian authority Ancient criticism and its eighteenth century adherents held that each subject required an appropriate style little matters call for the low lofty ones for the high Yet Gospel writers stressed Christ s incarnation as a praiseworthy and imitable descent to the humanly little one that is compatible with the most sublime style Through a series of close readings this book examines how Johnson conceived of his relationships to and with the margins of writing and of society It proposes that his literary and

critical practice is neither inclusive nor exclusive in its attitudes towards peripheral things *A Neutral Being Between the Sexes* Kathleen Nulton Kemmerer, 1998 By contrast in the eighteenth and early nineteenth centuries many women intellectuals who were familiar with Johnson's works considered him a champion of women an able defender in the ongoing debate about female nature and ability that had been going on since the middle ages the querelle des femmes *Samuel Johnson and the Essay* Robert D. Spector, 1997-04-22 This is the first study to assess the effect of Johnson's essayistic talents on the entirety of his writing **Biography** Catherine N. Parke, 2020-10-28 Catherine Parke explores biography through detailed examinations of Samuel Johnson Virginia Woolf Langston Hughes Gertrude Stein and other masters of the genre

Genre and Ethics Edward Tomarken, 2002 The study addresses the following kinds of questions Why does genre need ethics Why does ethics need genre How is ethics related to and distinguished from ideology as currently used in cultural studies How does a generic ethical method come to terms with history and historical change How is a generic ethical method related to religion Does genre reinforce the concept of the ethical agent This book will therefore have a broad audience including scholars whose fields range from the Renaissance to the present theorists and philosophers whose interests include ethics cultural studies and ideologies and educationists pursuing methods for graduates and undergraduates The autobiographical introduction serves as the hook as our creative writers say for this audience Generically it is experimental being at once scholarly pedagogical and autobiographical BOOK JACKET Approaches to Teaching Milton's Paradise Lost Peter C.
