on SCRIPTURE

A Primer

JOHN F. BOYLE

Aquinas On Scripture

John F. Boyle

Aquinas On Scripture:

Aquinas on Scripture Thomas Weinandy, Daniel A. Keating, John Yocum, 2005-10-20 This text evaluates the biblical commentaries of St Thomas Aquinas for the modern age with each commentary examined by an expert Each chapter focuses on the two or three major themes of its particular commentary and also relates the themes of the commentaries to Aquinas Summa Contra Gentiles and especially to his Summa Theologica

Aquinas on Scripture Thomas Weinandy, 2005-10-20 This book evaluates all the biblical commentaries of St Thomas Aquinas for the modern age with each commentary examined by an expert specialist scholar in that field Each chapter focuses on the two or three major themes of its particular commentary and also relates the themes of the commentaries to Aquinas Summa Contra Gentiles and especially to his Summa Theologica The purpose of this volume is not only to evaluate Aquinas commentaries but also in so doing to demonstrate that Aquinas is primarily a biblical theologian a consideration that has come more and more to the fore in recent studies No other book systematically addresses this important issue for Aquinas biblical studies and theology

Words of the Living God Pim Valkenberg, 2000 The aim of this book is to find an answer to the question how did St Thomas Aquinas 1224-1274 use Holy Scripture in his theology Distinguishing between a quantitative method for determining the place of Scripture in a theological text and a qualitative method for determining its functions the author of this study concludes that Aquinas does not only use Scripture in several functions in his theology but first and foremost regards Scripture as source and framework of theology itself While an analysis of Aquinas texts on the resurrection of Christ shows the functioning of Scripture as a factor within the text but also as a precondition for the text a series of comparisons between different subject matters literary genres and sources show that the importance of Scripture is a characteristic of Aquinas theology in its entirety even at places where Scripture is not quoted at all This conclusion does not only show the ecumenical importance of Aquinas theology but also the relevance of his theological manner of reading Scripture for modern theologians

St. Thomas Aquinas as an Interpreter of Holy Scripture Hugh Pope, 1924

Aquinas on Scripture: A Primer John F. Boyle, 2023-01-26 With precision and profundity born of thirty years of devoted study John Boyle offers an essential introduction to St Thomas Aquinas on Scripture shedding helpful light on the goals methods and commitments that animate the Angelic Doctor's engagement with the sacred page Because the genius of St Thomas's approach to the Bible lies not so much in its novelty but rather in the fidelity and clarity with which he recapitulates the riches of the preceding interpretive Tradition this initiation into St Thomas's vision of Scripture is itself an orientation to the Church's vision of Scripture from the Fathers through and beyond the Middle Ages St Thomas's embeddedness within the Church's Tradition and his own historical context is integral to his approach to Scripture yet it sets him at some distance from modern readers for whom his interpretive vision may seem perplexing or even impenetrable In this primer Boyle first provides an acclimation to this medieval context through a survey and explanation of pertinent technical terminology used by St Thomas and characteristic

of the scholastic theology of the time With an eye to the medieval practice of considering Scripture according to the fourfold division of causes Boyle builds on this initial foundation by exploring in turn St Thomas s accounts of the end or use of Scripture final cause its divine and human authorship efficient cause its order and division material cause and its literary styles or genres formal cause Drawing on writings from across St Thomas s corpus but especially his work On the Commendation and Division of Sacred Scripture and the prologues to his biblical commentaries Boyle masterfully elucidates both the hermeneutical principles and deep wisdom of the Angelic Doctor s approach to Scripture imparting invaluable guidance not only for reading and understanding St Thomas and other great masters of the Tradition but also and ultimately for understanding Scripture in light of this Tradition and reading it with greater benefit and joy *Scripture and Metaphysics* Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas s understanding of theology as contemplative wisdom Structured around Aquinas s treatise on the triune God in his Summa Theologiae Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles **Thomas Aquinas, Biblical Theologian** Roger Nutt, Michael Dauphinais, 2021-01-29 In the past eight hundred years it is possible that no other theologian has shaped our understanding of God man and the Church more than St Thomas Aquinas While many people are familiar with his most famous work the Summa Theologiae fewer know of his important role as a biblical theologian But in fact Aquinas primary work was biblical theology His biblical commentaries remain invaluable in the ongoing work of Scripture study The essays in Thomas Aquinas Biblical Theologian explore some of Aquinas most important contributions within his biblical commentaries and the ongoing work of Scripture study A dozen contributors explore Aquinas thought on faith and revelation the study of the Sacred Page and other dogmatic and moral considerations *Reading Romans with St. Thomas Aquinas* Matthew Levering, Michael Dauphinais, 2012-04-16 St Thomas Aquinas produced his commentary on Romans near the end of his life while working on the Summa theologiae and commenting on Aristotle The doctrinal richness of Paul s letter to the Romans was well known to the church fathers including Origen and Augustine on whom Aquinas drew for his commentary With this rich collection of essays by leading scholars both Catholic and Protestant Aquinas s commentary will become a major resource for ecumenical biblical and theological discussion Authored by theologians historians and biblical scholars Reading Romans with St Thomas Aquinas contributes to a historical reconstruction of Aquinas s exegesis and theology by addressing such topics as the Holy Spirit the Church the faith of Abraham worship preaching justification sin and grace predestination Paul s apostolic vocation the Jewish people human sexuality the relationship of flesh and spirit in the human person the literal sense of Scripture Paul s use of the Old Testament and the relationship of Aquinas s commentary on Romans to his Summa theologiae This volume

fits within the contemporary reappropriation of St Thomas Aquinas which emphasizes his use of Scripture and the teachings of the church fathers without neglecting his philosophical insight Contributors Bernhard Blankenhorn Markus Bockmuehl Hans Boersma John F Boyle Edgardo Col n Emeric Holly Taylor Coolman Adam Cooper Michael Dauphinais Gilles Emery Scott W Hahn John A Kincaid Mary Healy Matthew Levering Bruce Marshall Charles Raith II Geoffrey Wainwright Michael Waldstein and Robert Louis Wilken ABOUT THE EDITORS Matthew Levering is professor of theology at the University of Dayton Michael Dauphinais is academic dean and associate professor of theology at Ave Maria University Each has authored or edited numerous works together they have written *Holy People Holy Land A Theological Introduction to the Bible* and edited *Reading John with St Thomas Aquinas Theological Exegesis and Speculative Theology* *Reading John with St. Thomas Aquinas* Michael Dauphinais, Matthew Levering, 2005 Written by leading experts on Aquinas s theology the essays in *Reading John with St Thomas Aquinas* bear common witness to a central theological conviction the tasks of biblical exegesis and speculative theology though distinct indwell and inform each other As the first book length study of the full breadth of Aquinas s *Commentary on the Gospel of John* this work illuminates the way in which thinking systematically or speculatively about revelation flows from questions raised within biblical exegesis itself Like any medieval biblical commentator Aquinas attempts to understand a biblical text not only in itself but also by appealing to parallel interpretive texts drawn from throughout the Bible as well as the accumulated insights of the Church Fathers This method enables him to penetrate deeply into the thought of the Bible recognizing that the biblical authors speaking from within the context of Israel and the Church raise questions that are theological and that belong to coherent speculative theological frameworks The result is in large part a speculative theological commentary that is not imposed on the biblical texts but emerges from it necessary conjunction of the inspired words of Scripture exegetical commentary and theological analysis The volume is both a study of Aquinas s thought and an attempt to foster contemporary exegetical approaches that emphasize the need to interpret Scripture speculatively through the historical lens of tradition *Reading Sacred Scripture with Thomas Aquinas* Piotr Roszak, Jörgen Vijgen, 2015 Thomas Aquinas is still most widely known for his works in systematic theology *Summa theologiae* and as a commentator of Aristotle Recent decades however have seen a revived interest in Aquinas as a biblical scholar The essays gathered in this volume explore the richness of his biblical commentaries by analyzing the hermeneutical tools employed in his reading of Scripture and investigating the contemporary relevance of his biblical exegesis Its goal is to familiarize the contemporary reader with an indispensable dimension of his scholarly activity as a master in Sacred Scripture magister in sacra pagina Aquinas taught theology as a form of speculative reading of the revealed Word of God and hence the reading of the various books of the Bible constituted the axis of his scriptural didactics Altogether the nineteen contributions in the volume offers an up to date analysis of Aquinas s contribution to medieval biblical exegesis and points to ways in which it can enrich contemporary debates on the relation between exegesis and systematic theology

This book delves into Aquinas On Scripture. Aquinas On Scripture is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Aquinas On Scripture, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Aquinas On Scripture
- Chapter 2: Essential Elements of Aquinas On Scripture
- Chapter 3: Aquinas On Scripture in Everyday Life
- Chapter 4: Aquinas On Scripture in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Aquinas On Scripture. This chapter will explore what Aquinas On Scripture is, why Aquinas On Scripture is vital, and how to effectively learn about Aquinas On Scripture.
3. In chapter 2, the author will delve into the foundational concepts of Aquinas On Scripture. This chapter will elucidate the essential principles that need to be understood to grasp Aquinas On Scripture in its entirety.
4. In chapter 3, the author will examine the practical applications of Aquinas On Scripture in daily life. The third chapter will showcase real-world examples of how Aquinas On Scripture can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Aquinas On Scripture in specific contexts. This chapter will explore how Aquinas On Scripture is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Aquinas On Scripture. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Aquinas On Scripture.
