Arab Legion:

Politics and the Military in Jordan P.J. Vatikiotis, 2017-05-18 Amidst the turmoil in the Middle East Jordan has presented a striking example of relative stability and in this study first published in 1967 Professor Vatikiotis sets out to show just how far Jordan's stability depends on its army The Jordan Arab Army for long better known as the Arab Legion was one of the best small fighting forces in the Middle East Raised in 1921 by the late King Abdullah the legion helped him to pacify the tribes and establish and extend his rule and authority over a fractious society in a region of vast desert expanses The Legion then expanded into a disciplined military institution but whereas the armies of several Arab states were involved in coups the Jordan Arab Army has no such record In this book the author examines the particular historical conditions from which a state emerged in Jordan and the role of the Arab Legion in its creation and consolidation *Glubb Pasha and the Arab Legion* Graham Jevon, 2017-04-27 This study uses the private papers of Glubb Pasha to rethink the end of Britain's imperial presence in the Middle East The Story Of The Arab Legion John Bagot Glubb, 1948 *The Arab Legion* James Lunt, 1999 James Lunt served with the Arab Legion from 1952 to 1955 and in this study he traces its origins growth campaigns the characters who fought for it and its role in the difficult politics of the Middle East during the 40s and 50s *Abdullah al-Tall -- Arab Legion Officer* Ronen Yitzhak, 2012-06-25 Reviews al Tall's military political biography during the years he served as an officer in the Arab Legion and those he spent in political exile in Egypt This book helps to understand al Tall's personality his contribution to the success of the Arab Legion in the 1948 war and his part in the assassination of King Abdullah **Israel at Sixty** Efraim Karsh, Rory Miller, 2013-10-23 Sixty years after the birth of Israel this fascinating and original book of essays brings together a number of the leading experts on Zionism and Israel to examine the domestic and international context of Israel's transition from community to state in 1948 With contributions on a wide range of historically important topics that are no less relevant now than they were six decades ago the book examines how countries as diverse as France the United States Turkey Britain and Ireland viewed the partition of Palestine in 1947 and the subsequent establishment of Israel in 1948 It also looks at the involvement of the UN Zionist and Arab leaders in the events immediately preceding Israel's birth While controversial issues such as the role of the Holocaust in the creation of Israel and the attitude of the Zionist movement to Palestinian Arabs from its onset to the 1948 war are examined in order to set the record straight after decades of mistaken and misleading research This book was previously published as a special issue of *Israel Affairs* The Glubb Reports: Glubb Pasha and Britain's Empire Project in the Middle East 1920-1956 Tancred Bradshaw, 2016-01-26 The Glubb Reports studies papers written by General Sir John Glubb the long serving British commander of the Jordanian Arab Legion It covers issues such as the role of tribes and desert control the impact of Palestine the Arab Legion's role in the first Arab Israeli war the expansion of the Arab Legion and Glubb's dismissal in 1956 **Colonial Effects** Joseph Andoni Massad, 2001 This text analyses how modern Jordanian identity was created and defined The author studies two key institutions the law and the

military and uses them to create an analysis of the making of modern Jordanian identity

The Edge of the Sword: Israel's War of Independence 1947-1949 Netanel Lorch, 2019-07-31 Netanel Lorch who fought as an officer in Jerusalem during Israel's War of Independence and later founded the Israel Defense Forces Historical Section offers a detailed military history of the years 1947-49. The book begins with the tensions of the British Mandate period in Palestine including the international debates over proposed boundaries for the new Jewish state and examines the chaos that followed the British evacuation, the invasion of five Arab armies supported by guerrilla fighters inside Israel, the defeat of the Arab armies and the signing of armistice agreements at Rhodes. It surveys the strengths, weaknesses, equipment and manpower of Jewish and Arab forces and describes the strategies and tactics used in operations launched by all sides together with the results of the battles that led to Israel's pre-1967 borders. In splendidly crisp, frugal but always fluent narrative, Col Netanel Lorch relates how Israel won her life with *The Edge of the Sword*. It is an apt title for this masterly deployment of bare facts devoid of speculative afterthoughts, almost devoid of comment. I rate this book a splendid job of work absorbing to a student of war, a fit memorial to heroic events passing comprehension. *The New York Times* minute in its detail, meticulous in its completeness, matter of fact in its style but professional objectivity notwithstanding, he offers a penetrating insight into the passions and purposes that underlay this struggle. *Herbert Kupferberg, The New York Herald Tribune*. Lorch was fortunate in holding a position in which he was able to obtain and sift much data not normally available to the public. This he has done admirably. It is a timely, comprehensive book, clearly a must for the bookshelf of everyone who takes an interest in military matters or in the Middle East. *Edgar O Ballance, The Spectator, London*. A fascinating work. The book teems with technical details and military terms; it gives blow by blow the story of every campaign and almost every action. *Marvin Lowenthal, Jewish Social Studies*. Genuine history, admirably written. *Bernard Fergusson, London Daily Telegraph*. Lorch writes with a clarity quite unusual in military specialists, superbly written and fascinating. *The Cape Argus, Capetown*. The most detailed and most searching study of this momentous little war which has yet been published. It is also remarkably readable; it teaches quietly and with no brashness a number of salutary lessons, strategic and tactical, logistic and moral, which every soldier ought to ponder. Lorch's narrative is as candid as it is well marshalled. He is not sparing in his criticism of Israeli mistakes. He does not sneer and he does not exult. *Journal of the Royal United Services Institution*.

The Middle East Conflict Alan Axelrod, Ph.D., 2014-11-04 The Middle East is often a pressure cooker of upheaval and the threat of war. Complex dynamics are at work both culturally and politically and understanding conflict in this region starts with understanding both recent and ancient events. Noted history writer Alan Axelrod, PhD, breaks down the stereotypes and biases and helps readers not only understand what has been happening during the last 100 years but why it has happened, who was involved and what might happen in the future. Supplemental maps are also included.

Arab Legion Introduction

In the digital age, access to information has become easier than ever before. The ability to download Arab Legion has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Arab Legion has opened up a world of possibilities. Downloading Arab Legion provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Arab Legion has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Arab Legion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Arab Legion. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Arab Legion, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Arab Legion has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
