Bitter Persimmons An Unlikely Story:

Bitter Persimmons A. S. Friedell, 2004-02 A S Friedell's long journey to self significance begins as a lonely child on a rural Texas cotton farm Born shortly after the Pearl Harbor attack her childhood is shaped both by the idyllic and romantic ballads of the 40s and the seemingly perfect marriage of her distant narcissistic parents Her search for love and significance propels her through five difficult marriages in a crooked maze of lost love each turn uncovering only disappointment and a false sense of belonging A vow to love her two children unconditionally leads her to abandon her search for self worth in a perfect someone and instead discover a warm and strangely perfect comfort in the significance of motherhood
