Bishop Goes To The University:

The Bishop Goes to the University Andrew M. Greeley, 2025-08-22 The irrepressible Bishop Blackwood Ryan returns as his Cardinal dispatches Blackie to The University on the South Side of Chicago to investigate a baffling locked room mystery Someone has assassinated a Russian Orthodox monk in his office at the Divinity School despite the fact that the door of his office was bolted shut from the inside and no killer was found within Who shot Brother Semyon Ivanovich Popov There were only four professors in the building on the night of the shooting a feminist theologian a distinguished scripture scholar an expert on the Talmud and a young tenure seeking professor whom Blackie compares to a silverback gorilla It turns out that the mystery of the locked room is simple compared to the international intrigue that swiftly develops around the case Intelligence agents from diverse nations seem to be involved as well as both the Sicilian and Russian mobs Blackie soon finds himself the target of threats and actual bullets as he seeks to unravel the deepening mystery surrounding the murdered monk whose murky secrets may stretch all the way to the Vatican itself Murder is more than academic in yet another delightful whodunit by one of America's most popular storytellers At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Bishop's University, 1843-1970 Christopher Nicholl, Bishop's University, 1994 In this detailed and revealing chronicle Christopher Nicholl brings his experience as principal of Bishop's to the task of recounting the university's development from its founding as an Anglican college in 1843 to its battle for survival amid the radical reforms introduced into Quebec's system of higher education during the 1960s

A Search for Better University Education Gary Bauslaugh, 2015-09-14 Many people have something to say about what is wrong with our universities but Gary Bauslaugh spent decades trying to do something about it In this compelling entertaining and highly informative memoir Bauslaugh doesn't just relate his own experiences he shines a spotlight on exactly what is wrong with the traditional university undergraduate curriculum and how it is failing our students and our society Gary Bauslaugh has provided us with a remarkably vivid account of what is really going on in our institutions of higher learning Vivid both because it is almost entirely a first person narrative a modern cover of Henry Adams 19th Century classic *The Education of Henry Adams* and also because it is so deeply and richly informed As student professor and administrator Bauslaugh seems never to have stopped thinking both critically and sympathetically but always insightfully about what is happening around him and why The takeaway is a qualified indictment of North American post secondary education along with a powerfully argued case for reform And did I mention that it's a wonderfully fun read John Dixon philosopher and former President of BC Civil Liberties Association

Falling into Grace: the Fiction of Andrew Greeley R. W.

Carstens,2008-10-07 Falling into Grace is a study of Andrew Greeley s fiction and the message behind his words revealing many timeless political and theological ideas Professor R W Carstens shares the findings of his deep exploration into Greeley s novels as evidence of a set of ancient values and key political ideas that are needed today more than ever As a great storyteller Greeley s message is significant that grace sustains us unites us comforts us and sometimes overwhelms us but it is also evidence of our freedom Carstens careful examination into the deeper meaning behind the stories demonstrates that Greeley s characters and the world in which they live portray life as acts of faith hope and love and prove that God is alive and well in the hearts of many in the world As Carstens discusses Greeley s imagination and his political and theological concepts he develops his own theories about how these ideas can be applied in today s world by creating freedom limiting authority and building communities where people are united by common goals In the end Carstens study demonstrates that Greeley s fiction shows us a way to go home to the images that appeal to the best in us and therefore tell us what might be
