There two more brutal killings lure Noah Bishop and the SCU into what may be the ultimate trap and lead Special Agent Hollis Templeton into a dangerous attraction and a serial murder investigation that turns very very personal. In her time with the SCU Hollis has shown an uncanny ability to survive even the deadliest attacks. But what she can't know is that this killer intends to destroy the team from within. As the body count climbs and Bishop and his agents race to uncover the true identity of their enemy, not even their special senses can warn them just how bloody and how terrifyingly close the truth will be.
