Bloody Clash At Sadzot:

Bloody Clash at Sadzot William B. Breuer, 1981 **Bloody Clash at Sadzot** William B. Breuer, 1990 **Battle of the Bulge** Jean Paul Pallud, 2022-06-30 This WWII pictorial history presents an in depth study of Hitler's epic final offensive campaign. In December of 1944, nine days before Christmas, Hitler played Germany's last card on which he staked everything to turn the tables in the West. In this densely illustrated volume, military historian Jean Paul Pallud examines the entire salient with then and now photographs. Hundreds of miles have been traveled by the author throughout every corner of the battlefield to search out the scenes of past events; every known photograph belonging to combatants, civilians, and in public collections and private sources has been sought or considered. All available film has been examined frame by frame and certain sequences illustrated and analyzed. This painstaking process offers a vividly detailed look at the famous battle. A number of classic pictures used or misused in depicting the conflict are placed in their true context, often revealing them to be very different from what they seem.

Top Secret Tales of World War II William B. Breuer, 2008-04-21 Critical Acclaim for TOP SECRET TALES of World War II: A book for rainy days and long solitary nights by the fire. If there were a genre for cozy nonfiction, this would be the template. Publishers Weekly Perfect for the curious and adventure readers and those who love exotic tales and especially history buffs who will be surprised at what they didn't know. Recommended for nearly everyone. Kirkus Reviews This war was fought by soldiers out of uniform. Stealth and ingenuity were their weapons. Victory was their only code of conduct. In *Top Secret Tales of World War II*, noted military historian William Breuer documents espionage in all its forms as it evolved in the hands of both Allied and Axis agents of intelligence and counterintelligence. Here you'll find riveting tales of patriotism and treachery, subversion and sabotage, kidnappings and assassinations, and bribes and blackmailing, with frequently startling revelations about the secret wars behind both the battlefields and the headlines.

The Mortarmen Michael Connelly, 2006-07-26 The Mortarmen is an untold story of World War II. The book details the fighting history of the men of the 87th Chemical Mortar Battalion. The battalion was armed with the powerful 4.2 mortars and following its landing on Utah Beach on D Day fought in every major engagement in France, Belgium, and Germany. The 4.2 mortar battalions were the most sought after fire support units in Europe. The 87th was in combat for 326 days, and the book follows each of the four companies as they participate in the Battle for Normandy, the fight for Cherbourg, the battles of Aachen and the Hurtgen Forest, the Battle of the Bulge, and finally the crossing of the Rhine and the final victory in Germany. The book contains excerpts of diaries and quotations from the men who fought in the unit and from some of the German soldiers who opposed them. It is a story of heroism, tragedy, and the triumph of soldiers fighting for freedom. Veterans of the 87th: Speak out about The Mortarmen. The author has performed admirably in depicting the complete story of the 87th Mortar BN from training camps thru D Day and the entire WWII operations in Europe. A great contribution to WWII History comparable to Stephen Ambrose's story of E Company, 506th Regiment, 101st Airborne Division in *Band of Brothers*. 1st Lt
