Bloody Angle:

Bloody Angle John Cannon,2000-09-12 Dawn was breaking in the hard rain on the morning of 12 May 1864 It was then that tired Union soldiers under General Hancock s command launched a daring assault on the apex of heavily defended Confederate line outside Spotsylvania **The Heart of Hell** Jeffry D. Wert,2022-04-04 The struggle over the fortified Confederate position known as Spotsylvania s Mule Shoe was without parallel during the Civil War A Union assault that began at 4 30 A M on May 12 1864 sparked brutal combat that lasted nearly twenty four hours By the time Grant s forces withdrew some 55 000 men from Union and Confederate armies had been drawn into the fury battling in torrential rain along the fieldworks at distances often less than the length of a rifle barrel One Union private recalled the fighting as a seething bubbling soaring hell of hate and murder By the time Lee s troops established a new fortified line in the predawn hours of May 13 some 17 500 officers and men from both sides had been killed wounded or captured when the fighting ceased The site of the most intense clashes became forever known as the Bloody Angle Here renowned military historian Jeffry D Wert draws on the personal narratives of Union and Confederate troops who survived the fight to offer a gripping story of Civil War combat at its most difficult Wert s harrowing tale reminds us that the war s story often told through its commanders and campaigns truly belonged to the common soldier **The Spotsylvania Campaign** Gary W. Gallagher,2010-02-01 The Spotsylvania Campaign was a crucial period in the protracted confrontation between Ulysses S Grant and Robert E Lee in spring 1864 Approaching the campaign from a variety of perspectives the contributors to this volume explore questions regarding high command tactics and strategy the impact of continuous fighting on officers and soldiers in both armies and the ways in which some participants chose to remember and interpret the campaign They offer insight into the decisions and behavior of Lee and of Federal army leaders the fullest descriptions to date of the horrific fighting at the Bloody Angle on May 12 and a revealing look at how Grant used his memoirs to counter Lost Cause interpretations of his actions at Spotsylvania and elsewhere in the Overland Campaign The contributors are William A Blair Peter S Carmichael Gary W Gallagher Robert E L Krick Robert K Krick William D Matter Carol Reardon and Gordon C Rhea [The Maps of Spotsylvania Through Cold Harbor](#) Bradley M. Gottfried,2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues

the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle

The Battles for Spotsylvania Court House and the Road to Yellow Tavern, May 7-12, 1864 Gordon C. Rhea,2005-03-01 The second volume in Gordon C Rhea s peerless five book series on the Civil War s 1864 Overland Campaign abounds with Rhea s signature detail innovative analysis and riveting prose Here Rhea examines the maneuvers and battles from May 7 1864 when Grant left the Wilderness through May 12 when his attempt to break Lee s line by frontal assault reached a chilling climax at what is now called the Bloody Angle Drawing exhaustively upon previously untapped materials Rhea challenges conventional wisdom about this violent clash of titans to construct the ultimate account of Grant and Lee at Spotsylvania

Campaigning with Grant Horace Porter,1897 Originally printed in 1897 this work provides an eyewitness account to two military efforts which lead to the defeat of the

Confederacy the breaking of the siege at Chatanooga and the battle at Appomattox Porter a brigadier general in the Union army also offers a portrait of Grant detailing his daily acts his personal traits and habits and the motives that inspired him Numerous maps and illustrations are included Annotation copyrighted by Book News Inc Portland OR *Mr. Lincoln's Camera Man, Mathew B. Brady* Roy Meredith, 1974-01-01 This book tells of Mathew B Brady a Civil War photographer with over 300 reproductions of his work **Glory Enough for All** Eric J. Wittenberg, 2007-07-01 After the ferocious fighting at Cold Harbor Virginia in June 1864 Union Lt Gen Ulysses S Grant ordered his cavalry commanded by Maj Gen Philip H Sheridan to distract the Confederate forces opposing the Army of the Potomac *Glory Enough for All* chronicles the battle that resulted when Confederate cavalry pursued and caught their Federal foes at Trevilian Station Virginia perhaps the only truly decisive cavalry battle of the American Civil War Eric J Wittenberg tells the stories of the men who fought there including eight Medal of Honor winners and one Confederate whose death at Trevilian Station made him the third of three brothers to die in the service of Company A of the Fourth Virginia Cavalry He also addresses the little known but critical cavalry battle at Samaria Saint Mary's Church on June 24 1864 where Union Brig Gen David N Gregg's division was nearly destroyed The only modern strategic analysis of the battle *Glory Enough for All* challenges prevailing interpretations of General Sheridan and of the Union cavalry Wittenberg shows that the outcome of Trevilian Station ultimately prolonged Grant's efforts to end the Civil War
