Blue Adept Piers Anthony, 2009-06-03 In this brilliant continuation of the epic adventure that began in *Split Infinity* Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless

*Split Infinity* Piers Anthony, 2012-02-14 On the technological decadent world of Proton someone was trying to destroy Stile serf and master Gamesman His only escape lay through a mysterious curtain revealed by a loving robot Beyond the curtain lay Phaze a world totally ruled by magic There his first encounter was with an amulet that turned into a demon determined to choke him to death And there he soon learned his alternate self had already been murdered by sorcery and he was due to be the next victim Know thyself the infallible Oracle told him But first he must save himself as he shuttled between worlds On Proton his fate depended on winning the great Games On Phaze he could survive only by mastering magic And if he used any magic at all the werewolf and the unicorn who were his only friends were determined to kill him at once

**Robot Adept** Piers Anthony, 1988 Proton and Phaze parallel worlds of science and magic are ripe with the seeds of revolution Mach a brave and sensitive robot from Proton and his alternate self magical Bane from Phaze hold the power to link the two warring systems or to destroy them entirely Reissue

**Castle Roogna** Piers Anthony, 2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest

for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old *A Spell for Chameleon* Piers Anthony, 2002-03-26 BEST NOVEL OF THE YEAR BRITISH FANTASY SOCIETY Discover the magical beginning of Piers Anthony's enthralling Xanth series Xanth was the enchanted land where magic ruled where every citizen had a special spell only he could cast It was a land of centaurs and dragons and basilisks For Bink of North Village however Xanth was no fairy tale He alone had no magic And unless he got some and got some fast he would be exiled Forever But the Good Magician Humfrey was convinced that Bink did indeed have magic In fact both Beauregard the genie and the magic wall chart insisted that Bink had magic Magic as powerful as any possessed by the King or by Good Magician Humfrey or even by the Evil Magician Trent Be that as it may no one could fathom the nature of Bink's very special magic Bink was in despair This was even worse than having no magic at all and he would still be exiled Thus begins Piers Anthony's enthralling Xanth series *Night Mare* Piers Anthony, 2002-03-26 The danger to Xanth was so great that only a night mare could offer hope The Nextwave of barbarian warriors was invading Xanth from the north ravaging and destroying as they advanced But Mare Imbrium had her own problems Ever since she had gained the half soul the night mare had begun to mishandle her job of delivering bad dreams Now the night Stallion dismissed her exiling her to the day world with a message for King Trent Beware the Horseman She had no idea what that meant But that was the way with prophetic warnings nobody could understand them until it was too late Then she met the Horseman And she discovered that one who would right a night mare was a master of a bit and spur and not a man to surrender her For the night mare it all began to be a horrible nightmare

*With a Tangled Skein* Piers Anthony, 2008-12-24 Here in this third complete in itself novel of the Incarnations of Immortality Piers Anthony weaves a fascinating plot as tangled as any skein of fate This is Anthony at his most ingenious with another gripping fantasy of the struggle of the incarnations against the machinations of Satan When the man Niobe loved was shot she learned that she had been the target in a devious plot of the Devil's Hoping for revenge Niobe accepted a position as one of the three Aspects of Fate only to find that Satan's plots were tangled into the very Tapestry of Fate Now the Evil One was laying a trap to ruin Niobe's granddaughter Luna who threatened his plans and he had tricked her son into Hell Niobe's only chance to save her son and Luna was to accept a challenge by the Prince of Deceit a challenge to be decided in Hell and in a maze of Satan's devising *On a Pale Horse* Piers Anthony, 2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader's mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume

the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution

**Bearing an Hourglass** Piers Anthony, 2012-02-14 Like *On a Pale Horse* this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemingly all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on
