Blue Afternoon The:

Novels of William Boyd Dr. Rajesh Shashikant Latane, 2015-02-25 have great pleasure in writing this foreword to Dr Latane's book on the Novels of William Boyd. The book is a significant contribution to Boyd criticism. It has discussed the early, the middle and the last phase of Boyd's novels. In doing so, the author has defined the totality of Boyd's vision. Indeed, every novel is a part of this totality and the totality is more than a mere sum of the novels. The reciprocal relationship between the part and the whole is the crux of novel criticism and the book has given due justice to this aspect. Another important feature of the book is the analysis of the postmodernist element in Boyd's novels. This critical framework can be used to analyse the postmodernist element in the contemporary Indian novel in English. Even going further, it can be used to analyse the Postmodernist element in the contemporary Marathi novel. A thesis is really acknowledged when it becomes a source material for the future researchers and comparatists. Mr Latane's book has that potential. I heartily wish a good reception to the book. The Blue Afternoon William Boyd, 2010-09-29 A perfect pitch story of love and redemption. The New York Times. Boyd's atmospheric new novel confirms his reputation as heir to the grand narrative traditions of Joseph Conrad and Somerset Maugham. In 1936 Los Angeles, as her long estranged father tells architect Kay Fischer the story behind her secret parentage, he plunges readers into a tale of grisly murders and an illicit passion that still obsesses him 30 years later.
