original assignment isn't over While leads within the Guild haven't panned out new ones have come to light On Earth Now they are headed for Denver Colorado and Jason which brings a whole new set of problems So Blue makes a new list just for this operation Bring down the bad guy Don't get killed Introduce guys to Mom Bring Trevon into the picture Figure out the mystery behind Jason Not necessarily in that order of course But when they arrive back on Earth her list and her plan are thrown out the window What they discover will lead them on a chase through not only Earth but back to Karran and the mysteries of the Waste where they will face down an enemy more ancient and powerful than any of them knew existed
