Blue Curry:

The Pineapple from Domestication to Commodification Victoria Avery, Melissa Calaresu, 2025-10-15 The pineapple's discovery by European colonisers in the late fifteenth century and its remarkable global trajectory from an early modern object of rarity, desire and horticultural innovation to a cheap canned consumable and fair trade logo today is a story of modern globalisation. *The Pineapple from Domestication to Commodification* is a wide-ranging interdisciplinary volume intended to provoke timely debate and generate radical rethinking of an overly familiar fruit with associations from luxury to kitsch. It deliberately problematizes the pineapple by investigating understudied tensions between its representational power and the historical and political contexts of its worldwide production and consumption. This connects the global and local at the heart of contemporary debates about the nature and origins of our food. It will have cross-disciplinary appeal for scholars of politics, economics, history, plant sciences, food and material culture as well as for broader audiences interested in food, gardening, the environment and visual arts. **BLUE CURRY**, 2004-04-29 [Black Sand and Betel Nut](#) Suellen Holland, 2017-03-23 A quirk of fate had brought author Suellen Holland to Papua New Guinea. It was the second in five years she had moved from one country to another. In 1956 she and her parents left India to start a new life in Australia and in 1960 they packed up again and went to live in Papua New Guinea. Little did Suellen know this land and its people would change her life dramatically, mold and shape her character and bring her once in a lifetime adventures and experiences beyond belief. As a European child in pre-independent Papua New Guinea, Suellen's experiences hold a unique place in history. From the black volcanic sand her feet were dusted to the virgin coral reef she snorkeled over to the plantations she visited the World War II tunnels she explored and the haus bois and meris who shared her life, *Black Sand and Betel Nut* is a frank and moving account of Suellen's extraordinary childhood. Her collection of stories recalls the halcyon days of her childhood and pays tribute to a place she will always call home. [Blue Period 8](#) Tsubasa Yamaguchi, 2022-07-26 CITYSCAPE After a disappointing first assignment, Yatora is encouraged by Maki and is determined to move forward. His next assignment is a scenery of Tokyo. As he takes on new materials and methods, he also becomes exposed to new ways of seeing the city he thought he knew so well. Can Yatora finally evolve beyond the exam art that got him into art school? **National Genealogical Society Quarterly**, 1912 [Cincinnati's Celebrity Criminal Defender](#) Janice Schulz, 2015-09-21 Murder, deceit and thrilling courtroom drama in this chronicle of Ohio's infamous criminal defense attorney Foss Hopkins. With half a century in the courtroom, criminal defense attorney William Foss Hopkins represented more than 550 clients. Known to be charismatic and brilliant, Foss's dedication to defending the falsely accused often landed him in controversy. He specialized in murder cases and took on more than a few colorful defendants. William Kuhlman and his gang left a trail of blood from Indiana to Kentucky after hacking up the body of Cincinnati fireman Cap Miller. Attractive and naive Louise Sharpe pumped three bullets into her lover and left him dying on the floor of his Walnut Hills apartment. After Marie Abbott's farmhand lover

killed her husband Marie helped him stage the murder as an accident These are just some of the people whose trials made Foss Hopkins Cincinnati's Celebrity Criminal Defender In this captivating book you'll learn about the man himself some of his most astounding victories and the crushing defeats that ended in the electric chair

House of Horrors Agnieszka Kotwasińska, 2023-06-15 This is a study of tumultuous transformations of kinship and intimate relationships in American horror fiction over the last three decades Twelve contemporary novels by ten women writers and two whose work has been identified as women's fiction are grouped into four main thematic clusters haunted houses monsters vampires and hauntings but it is social scripts and concerns linked directly to intimacy and family life that structure the entire volume By drawing attention to how the most intimate of all social relationships the family supports and replicates social hierarchies exclusions and struggles for dominance the book problematises the source of horror The consideration of horror narratives through the lens of familial intimacies makes it possible to rethink genre boundaries to question the efficacy of certain genre tropes and to consider the contribution of such diverse authors as Kathe Koja Tananarive Due Gwendolyn Kiste Elizabeth Engstrom Sara Gran and Caitlín R Kiernan
