Reel Bay Jana Larson, 2021-01-19 What was Takako Konishi really doing in North Dakota and why did she end up dead Did she get lost and freeze to death as the police concluded while searching for the fictional treasure buried in a snowbank at the end of the Coen Brothers film *Fargo* Or was it something else that brought her there unrequited love ritual suicide a meteor shower a far flung search for purpose The seed of an obsession took root in struggling film student Jana Larson when she chanced upon a news bulletin about the case Over the years and across continents the material Jana gathered in her search for the real Takako outgrew multiple attempts at screenplays and became this remarkable genre bending essay that leans into the space between fact and fiction life and death author and subject reality and delusion
