God Writes In Blue Sherri Sumstine, 2020-03-27 What if out of the blue an event in your life that should have left damage was miraculously altered What if in its place a divine intervention rewrote your story and positively affected the outcome of what should have been What if the experience you encountered and embraced transformed you into becoming the person you are today That is what this book *God Writes in Blue* shares with its readers This is a collection of real life stories that together share how two lives were changed because God intervened again and again with His Blue Pen Sherri Sumstine shares candidly of her and her late husband s failures and wrong choices She opens up to share their brokenness and insecurities And she can boldly state today that what would have become difficult life events and painful memories are instead embraced because of the valuable spiritual lessons learned through them and the active relationship with the Divine that was cultivated in them

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
