Blue Ruin A Novel Of The 1919 World Series:

Blue Ruin Brendan C. Boyd,1991 In a fictional recreation of the early years of baseball Boston numbers runner Joseph Sport Sullivan convinces players on the White Sox to throw the 1919 World Series **Blue Ruin** Brendan C. Boyd,1993 A strong but often funny look at the notorious 1919 world series the culture of money hypocrisy corruption of the culture around it America s premier sporting event was rigged by gamblers the Chicago Black Sox players were banned from baseball for life *The Betrayal* Charles Fountain,2016 A new account of one of the most famous scandals in sports history shows how the 1919 fixing of the World Series forever changed the way America s pastime was both managed and perceived

America in Historical Fiction Vandelia L. Vanmeter,1997-02-15 Portrayals of America s people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events

The Baseball Novel Noel Schraufnagel,2008-08-29 This annotated bibliography covers approximately 400 novels published from 1838 through 2007 A substantial introduction to the history and development of the genre precedes the chronologically arranged entries which provide bibliographic details and extensive annotations on plot themes and compositional strengths and weaknesses Mainstream novels by writers such as Hemingway Wolfe Roth and DeLillo are included Appendices provide historical overviews for the primary baseball subgenres including mystery fantasy and science fiction lists for novels that foreground issues of race or ethnicity or both as in Winegardner s Vera Cruz Blues gender Gilbert s A League of Their Own and class Hay s The Dixie Association and the author s rankings of great baseball novels overall and by subgenre *Black Sox in the Courtroom* William F. Lamb,2013-03-29 A comprehensive non partisan account of the judicial proceedings spawned by the corruption of the 1919 World Series is badly needed This book provides it The narrative of events has been crafted from surviving fragments of the judicial record contemporaneous newspaper accounts of the proceedings museum archives and occasionally the literature of the Black Sox scandal Preceding the account of judicial events are a brief overview of the baseball gambling problem a summary of the 1919 Series and a discussion of post Series events that presaged revelations of the Series fix The grand jury proceedings the criminal trial and ensuing civil suits initiated by various of the banned players against the White Sox are then recounted in detail accompanied by copious source citations The book concludes with a survey of how Black Sox related legal proceedings have been treated in scandal literature The book does not purport to be the definitive account of the Black Sox scandal Rather it uniquely presents how

the matter played out in court *Saying It's So* Daniel A. Nathan,2010-10-01 The story of Shoeless Joe Jackson and his White Sox teammates purportedly conspiring with gamblers to throw the 1919 World Series to the Cincinnati Reds has lingered in our collective consciousness for a century Daniel A Nathan s wide ranging history looks at how journalists historians novelists filmmakers and baseball fans have represented and remembered the scandal Nathan s reflections on what these different cultural narratives reveal about their creators and eras shape a fascinating study of cultural values memory and the ways people make meaning *The Chicago of Fiction* James A. Kaser,2011-02-01 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Batboys and the World of Baseball* Neil D. Isaacs,1995 A unique look at baseball s clubhouse culture through the eyes of batboys *Baseball Meets the Law* Ed Edmonds, Frank G. Houdek,2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town s meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball s exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also *Take Me Out to the Ball Game* to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive
