

African American Religious Studies

AN INTERDISCIPLINARY ANTHOLOGY

Gayraud S. Wilmore, editor

African American Religious Studies

Cornel West, Eddie S. Glaude

African American Religious Studies:

African American Religious Thought Cornel West, Eddie S. Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads Cornel West and Eddie Glaude seek in this landmark anthology to steer the discipline into the future Arguing that the complexity of beliefs choices and actions of African Americans need not be reduced to expressions of black religion West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class gender sexual orientation race empire and other values that continue to challenge our democratic ideals *Teaching African American Religions* Carolyn M. Jones Medine, 2005 The variety and complexity of its traditions make African American religion a difficult topic to teach at undergraduate level The essays in this volume offer practical innovative ways to teach this subject in a variety of settings *African American Religious Studies* Gayraud S. Wilmore, 1989 This anthology provides a coherent interdisciplinary theoretical base for students of African American religious studies and will assist in the design of programs and courses for lay theological education and training To this end the editor has assembled material from Old and New Testament studies theology church history pastoral counseling worship and social action **African American Religious History** Milton C. Sernett, 1999 This is a 2nd edition of the 1985 anthology that examines the religious history of African Americans *Down in the Valley* Julius H. Bailey, 2016-04-08 African American religions constitute a diverse group of beliefs and practices that emerged from the African diaspora brought about by the Atlantic slave trade Traditional religions that had informed the worldviews of Africans were transported to the shores of the Americas and transformed to make sense of new contexts and conditions This book explores the survival of traditional religions and how African American religions have influenced and been shaped by American religious history The text provides an overview of the central people issues and events in an account that considers Protestant denominations Catholicism Islam Pentecostal churches Voodoo Conjure Rastafarianism and new religious movements such as Black Judaism the Nation of Islam and the United Nuwaubian Nation of Moors The book addresses contemporary controversies including President Barack Obamas former pastor Jeremiah Wright and it will be valuable to all students of African American religions African American studies sociology of religion American religious history the Black Church and black theology Varieties of African American Religious Experience Anthony B. Pinn, 2017-10-15 Twenty years ago Anthony Pinn s engrossing survey highlighted the rich diversity of black religious life in America revealing expressions of an ever changing black religious quest Based on extensive research travel and interviews Pinn s work provides a fascinating look especially at Voodoo Santeria the Nation of Islam and black humanism in the United States and uses the diversity of religious belief to begin formulation of a comparative black theology the first of its kind This twentieth anniversary edition is an expanded version including a new preface and a new concluding chapter An important contribution to classroom studies *The New Black Gods* Edward E. Curtis IV, Danielle Brune Sigler, 2009-04-23 Taking the influential work of Arthur Huff Fauset as a starting

point to break down the false dichotomy that exists between mainstream and marginal a new generation of scholars offers fresh ideas for understanding the religious expressions of African Americans in the United States Fauset's 1944 classic *Black Gods of the Metropolis* launched original methods and theories for thinking about African American religions as modern cosmopolitan and democratic The essays in this collection show the diversity of African American religion in the wake of the Great Migration and consider the full field of African American religion from Pentecostalism to Black Judaism Black Islam and Father Divine's Peace Mission Movement As a whole they create a dynamic humanistic and thoroughly interdisciplinary understanding of African American religious history and life This book is essential reading for anyone who studies the African American experience

Beyond Christianity Darnise C. Martin, 2005-03-01 *Beyond Christianity* draws on rich ethnographic work in a Religious Science church in Oakland California to illuminate the ways a group of African Americans has adapted a religion typically thought of as white to fit their needs and circumstances This predominantly African American congregation is an anomalous phenomenon for both Religious Science and African American religious studies It stands at the intersection of New Thought doctrine characterized by personal empowerment teachings and a culturally familiar liturgical style reminiscent of Black Pentecostals and Black Spiritualists This group challenges oversimplified concepts of the Black church experience and broadens the concept of Black religion outside the boundaries of Christianity raising questions about what it means to be an African American congregation and about the nature of blackness itself *Beyond Christianity* adds a new dimension to the scholarship on Black religion

The African American Religious Experience in America Anthony B. Pinn, 2005-11-30 Most who think about African American religion limit themselves to black churches or perhaps to aspects of Islamic thought and practice But a close look at the religious landscape of African American communities presents a much more complex thick and layered religious reality comprising many competing faiths and practices *The African American Religious Experience in America* provides readers with an introduction to the tremendous religious diversity of African American communities in the United States with snapshots of 11 religious traditions practiced by African Americans from Buddhism to Catholicism from Judaism to Voodoo Each snapshot provides readers a better understanding of how African Americans practice their faiths in the United States *The African American Religious Experience in America* provides resources for students taking classes on the history of American religion African American Studies and on American Studies In addition to the in depth discussion of the varieties of African American Religion the volume includes a historical introduction to the development of African American Religion a glossary of terms a timeline of important events a series of short biographies of important figures in the history of African American religion and a bibliography of sources for further study Finally the book includes a series of primary source documents that will provide students with first person accounts of how religion is practiced in the African American community both today and in the past

Passionately Human, No Less Divine Wallace D. Best, 2005 Wallace D Best examines the various ways black southerners transformed African American

religion in Chicago during their Great Migration northward

African American Religious Studies Introduction

In the digital age, access to information has become easier than ever before. The ability to download African American Religious Studies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download African American Religious Studies has opened up a world of possibilities. Downloading African American Religious Studies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading African American Religious Studies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download African American Religious Studies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading African American Religious Studies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading African American Religious Studies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download African American Religious Studies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About African American Religious Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
