Christianity and Public Culture in Africa Harri Englund, 2011-08-15 Christianity and Public Culture in Africa takes readers beyond familiar images of religious politicians and populations steeped in spirituality It shows how critical reason and Christian convictions have combined in surprising ways as African Christians confront issues such as national constitutions gender relations and the continuing struggle with HIV AIDS The wide ranging essays included here explore rural Africa and the continent s major cities colonial and missionary legacies and mass media images in the twenty first century They also reveal the diversity of Pentecostalism in Africa and highlight the region s remarkable denominational diversity Scholars and students alike will find these essays timely and impressive The contributors demonstrate how the public significance of Christianity varies across time and place They explore rural Africa and the continent s major cities and colonial and missionary situations as well as mass mediated ideas and images in the twenty first century They also reveal the plurality of Pentecostalism in Africa and keep in view the continent s continuing denominational diversity Students and scholars will find these topical studies to be impressive in scope Contributors Barbara M Cooper Harri Englund Marja Hinfelaar Nicholas Kamau Goro Birgit Meyer Michael Perry Kweku Okyerefo Damaris Parsitau Ruth Prince James A Pritchett Ilana van Wyk

Identity Crises and Indigenous Religious Traditions Elijah Obinna, 2017-02-10 This book highlights the complex identity crises among many Christians as they negotiate their new identities religious ideas and convictions as both Christians and members of Nigerian African societies of indigenous religious traditions and identities Through an interdisciplinary interpretation of religious practices and educational issues in teaching and ritual training the author provides tools to help analyse empirical cases These include the negotiation processes among Christians with focus on the Presbyterian Church of Nigeria PCN and members of the Ogo society within the Amasiri Afikpo North Local Government Area Ebonyi state in South eastern Nigeria Identifying the power dynamic identity role and influence of indigenous religions on Christians and the Ogo society this book reveals the limited interactions between many Christians and members of the Ogo society Questions explored include what makes the Ogo society an integral part of the socio religious life of Amasiri and what powers and identity does it confer on the initiates how is the PCN within Amasiri responding to the Ogo society through its religious practices such as baptism confirmation local auxiliary ministries and organisational structure and how does the understanding and application of conversion within the PCN impact on its members response to the Ogo society Demonstrating how complex religious identities and practices of Nigerian African Christians can balance mission influenced Christianity with indigenous religious traditions and identities this book recognises the importance of appropriating the powers of indigenous cultures ingenuity and creativity in the construction and preservation of community identities As such

it will be of keen interest to scholars of Christian theology indigenous religious practice and African lived religion

Worship, Ritual, and Pentecostal Spirituality-as-Theology Martina Björkander, 2024-02-06 Vibrant worship music is part of the Charismatic liturgy all around the world and has become in many ways the hallmark of Pentecostal Charismatic Christianity Despite its centrality scholarly interest in the theological and ritual significance of worship for pentecostal spirituality has been sparse not least in Africa Combining rich theoretical and theological insight with an in depth case study of worship practices in Nairobi Kenya this interdisciplinary study offers a significant contribution to knowledge and is bound to influence scholarly discussions for years to come The book is a must read for anyone interested in Pentecostal worship ritual and spirituality

Christianity and the African Imagination David Maxwell, Ingrid Lawrie, 2022-08-08 During the twentieth century Christendom shifted its centre of gravity to the Southern Hemisphere Africa becoming the most significant area of church growth This volume explores Christianity's advance across the continent and its capturing of the African imagination From the medieval Catholic Kingdom of Kongo to a transnational Pentecostal movement in post colonial Zimbabwe the chapters explore how African agents priests and prophets martyrs and missionaries evangelists and catechists have seized Christianity and made it theirs Emphasizing popular religion the book shows how the Christian ideas and texts practices and symbols which have been adapted by Africans help them accept existential passions and empower them through faith to deal with material concerns for health and wealth and to overcome evil

Present and Future of Biblical Studies Tat-siong Benny Liew, 2018-07-17 What is the current state of the field known as biblical studies How will biblical studies continue to develop in this diverse globalized and digital age In this book a diverse group of scholars who are known for their innovative practice of biblical interpretation come together to celebrate the 25th anniversary of the critically acclaimed journal *Biblical Interpretation* by sharing their thoughts on and questions about the assumptions practices and parameters of biblical studies as well as their desires and fears about its disciplinary future Covering a wide range of topics geographical regions resources understandings and viewpoints this exceptional collection of essays will make you and help you rethink the conventions and convictions of biblical studies as an academic discipline

African Pentecostalism from African Perspectives Ezra Chitando, Lovemore Togarasei, Loreen Maseno, 2024-11-05 Although African scholars have made a significant contribution to the study of African Pentecostalism very few studies have reflected on their output Most of the contemporary publications on the widespread phenomenon of African Pentecostalism create the impression that only scholars from the Global North have contributed to the field This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how African scholars from diverse academic disciplines and African Diasporan context have helped to shape the field The included chapters provide fresh data on new themes and perspectives in the field

African Public Theology Sunday Bobai Agang, Dion A. Forster, H. Jurgens Hendriks, 2020-04-30 Africa needs leaders and Christians from every walk of life to rediscover their identity and purpose in all spheres of society African Public Theology sounds a

clarion call to accomplish this vital task God created all humans equally intending for us to live in community and take responsibility for the world around us a mandate we need to act on Through faithful application of Scripture to contexts common in the continent today contributors from across Africa join as one to present a vision for the Africa that God intended No simplistic solutions are offered instead African Public Theology challenges every reader to think through the application of biblical principles in their own community place of work and sphere of influence If we heed the principles and lessons that God s word has for society culture and public life then countries across Africa can have hope of a future that is free from corruption and self promotion and is instead characterized by collective stewardship and servant hearted leadership
