

AFTERLIFE AS AFTERIMAGE

Understanding Posthumous Fame

EDITED BY STEVE JONES AND JOLI JENSEN

Afterlife As Afterimage Understanding Posthumous Fame

Sabine Hake

Afterlife As Afterimage Understanding Posthumous Fame:

Afterlife as Afterimage Steve Jones, Joli Jensen, 2005 The mass media make it possible for fame to be enhanced and transformed posthumously What does it mean to fans when a celebrity dies and how can death change the way that celebrities are perceived and celebrated How do we mourn and remember What can different forms of communication reveal about the role of media in our lives Through a provocative look at the lives and legacy of popular musicians from Elvis to Tupac and from Louis Prima to John Lennon *Afterlife as Afterimage* analyzes the process of posthumous fame to give us new insights into the consequences of mediation and it illuminates the complex nature of fandom community formation and identity construction **Postmortal Society** Michael Hviid Jacobsen, 2017-03-31 Throughout history mankind has struggled

to reconcile itself with the inescapability of its own mortality This book explores the themes of immortality and survivalism in contemporary culture shedding light on the varied and ingenious ways in which humans and human societies aspire to confront and deal with death or even seek to outlive it as it were Bringing together theoretical and empirical work from internationally acclaimed scholars across a range of disciplines *Postmortal Society* offers studies of the strategies adopted and means available in modern society for trying to cheat death or prolong life the status of the dead in the modern Western world the effects of beliefs that address the terror of death in other areas of life the immortalisation of celebrities the veneration of the dead in virtual worlds symbolic immortality through work the implications of understanding immortality in chemical neuronal terms and the apparent paradox of our greater reverence for the dead in increasingly secular capitalist societies A fascinating collection of studies that explore humanity's attempts to deal with its own mortality in the modern age this book will appeal to sociologists anthropologists philosophers and scholars of cultural studies with interests in death and dying

Starlight and Stargazers Helena Goscilo, 2024-05-21 Celebrification has thrived for centuries in literature theater music and other cultural spheres as vividly illustrated by Byron Sarah Bernhardt and Paganini It especially effloresced in cinema after the symbolically named Lumi re brothers pioneered movies as light projected moving life to be contemplated and shared in the intimate darkness of theaters Actors and actresses such as Valentino and Garbo acquired the status of divine beings whose life on and offscreen stimulated fascination and a passionate devotion most frequently invested in religious figures The recent explosion in social media has only amplified immeasurably the scale and intensity of that adulation Yearning for the seemingly transcendent fans as mere mortals seek contact with celebrities as objects of worship that like nocturnal stars are simultaneously remote yet accessible *Starlight and Stargazers* examines the multifaceted nature and specific manifestations of film celebrification in Czechoslovakia the Czech Republic Poland Soviet Russia Russia and Ukraine before and after 1991

Celebrity and the Feminist Blockbuster Anthea Taylor, 2017-02-21 In the first book length study of celebrity feminism Anthea Taylor convincingly argues that the most visible feminists in the mediasphere have been authors of bestselling works of non fiction feminist blockbusters *Celebrity and The Feminist Blockbuster* explores how

the authors of these popular feminist books have shaped the public identity of modern feminism in some cases over many decades Maintaining a distinction between women who are famous because of their feminism and those who later add feminism to their brand Taylor contends that Western celebrity feminism as a political mode of public subjectivity cannot in any simple way be seen as homologous with other forms of stardom Moving deftly from the 1960s to the present focusing on how feminist authors have actively worked to manufacture their public personas she demonstrates that the blockbuster remains crucial to feminist celebrification but is now often augmented with digital media Advancing celebrity studies by placing the figure of the feminist front and centre *Celebrity and the Feminist Blockbuster* is essential reading for all those interested in gender popular feminism and the politics of renown **The Proletarian Dream** Sabine Hake, 2017-09-11 The proletariat never existed but it had a profound effect on modern German culture and society As the most radicalized part of the industrial working class the proletariat embodied the critique of capitalism and the promise of socialism But as a collective imaginary the proletariat also inspired the fantasies desires and attachments necessary for transforming the working class into a historical subject and an emotional community This book reconstructs this complicated and contradictory process through the countless treatises essays memoirs novels poems songs plays paintings photographs and films produced in the name of the proletariat *The Proletarian Dream* reads these forgotten archives as part of an elusive collective imaginary that modeled what it meant and even more important how it felt to claim the name proletarian with pride hope and conviction By emphasizing the formative role of the aesthetic the eighteen case studies offer a new perspective on working class culture as a oppositional culture Such a new perspective is bound to shed new light on the politics of emotion during the main years of working class mobilizations and as part of more recent populist movements and cultures of resentment Aldo and Jeanne Scaglione Prize for Studies in Germanic Languages and Literatures 2018

Unequal Before Death Marcelline Block, Christina Staudt, 2012-03-15 Death has been deemed the great equalizer but each journey towards our shared ultimate fate is unique The length of our lives the quality of our last days how our deaths are perceived by others and the handling of our remains are governed by nature and many socio cultural factors *Unequal Before Death* is an edited collection that addresses inequalities surrounding death from the perspectives of scholars in a wide range of humanistic and social science disciplines including art history anthropology Film and media studies political science popular culture psychology religion sociology and statistics The majority of the chapters of this interdisciplinary anthology are revised versions of papers presented at the second Austin H Kutscher Memorial Conference entitled *Unequal Before Death* organized by the Columbia University Seminar on Death in March 2010 and attended by leading experts in academia healthcare and the not for profit sector The purpose of this volume is to bring attention to the many inequalities affecting the end of life experience and to encourage collaborative research and action that can improve the experience for the dying and those around them This volume does not question the truism of death as the ultimate equalizer but rather seeks to explore

the many ways in which the final journey is not equal Routledge Handbook of Celebrity Studies Anthony Elliott, 2018-03-05 Ours is the age of celebrity An inescapable aspect of daily life in our media saturated societies of the twenty first century celebrity is celebrated for its infinite plasticity and glossy seductions But there is also a darker side Celebrity culture is littered from end to end with addictions pathologies neuroses even suicides Why as a society are we held in thrall to celebrity What is the power of celebrity in a world of increasing consumerism individualism and globalization Routledge Handbook of Celebrity Studies edited by acclaimed social theorist Anthony Elliott offers a remarkably clear overview of the analysis of celebrity in the social sciences and humanities and in so doing seeks to develop a new agenda for celebrity studies The key theories of celebrity ranging from classical sociological accounts to critical theory and from media studies to postmodern approaches are drawn together and critically appraised There are substantive chapters looking at fame renown and celebrity in terms of the media industries pop music the makeover industries soap stars fans and fandom as well as the rise of non Western forms of celebrity The Handbook also explores in detail the institutional aspects of celebrity and especially new forms of mediated action and interaction From Web 3 0 to social media the culture of celebrity is fast redefining the public political sphere Throughout this volume there is a strong emphasis on interdisciplinarity with chapters covering sociology cultural studies psychology politics and history Written in a clear and direct style this handbook will appeal to a wide undergraduate audience The extensive references and sources will direct students to areas of further study

Death and the Rock Star Catherine Strong, Barbara Lebrun, 2016-03-03 The untimely deaths of Amy Winehouse 2011 and Whitney Houston 2012 and the resurrection of Tupac Shakur for a performance at the Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done This edited collection explores the reception of dead rock stars rock being taken in the widest sense as the artists discussed belong to the genres of rock n roll Elvis Presley disco Donna Summer pop and pop rock Michael Jackson Whitney Houston Amy Winehouse punk and post punk GG Allin Ian Curtis rap Tupac Shakur folk the Dutchman Andr Hazes and world music Fela Kuti When music artists die their fellow musicians producers fans and the media react differently and this book brings together their intertwining modalities of reception The commercial impact of death on record sales copyrights and print media is considered and the different justifications by living artists for being involved with the dead through covers sampling and tributes The cultural representation of dead singers is investigated through obituaries biographies and biopics observing that posthumous fame provides coping mechanisms for fans and consumers of popular culture more generally to deal with

the knowledge of their own mortality Examining the contrasting ways in which male and female dead singers are portrayed in the media the book

Death Matters Tora Holmberg, Annika Jonsson, Fredrik Palm, 2019-04-05 This book investigates death as part of contemporary everyday experience and practices Through a cultural sociological lens it studies death as it remains constantly at the edge of our consciousness shaping the ways in which we move through social reality As such Death Matters is a significant contribution to death studies going beyond traditional parameters of the field by addressing the cultural omnipresence of death The contributions analyse several death related meaning making processes arguing that meanings emerging from culturally shared narratives social institutions and material conditions are just as important as death practices in understanding the role of death in society Drawing on the related themes of places of absence and presence disease and bodies and persons and non persons the authors explore a variety of areas of social life from haunting to celebrity deaths to move the notion of death from the margins of social reality to ongoing everyday life This far reaching collection will be of use to scholars and students across death studies sociology anthropology philosophy culture media and communication studies

Nature's Saviours Graham Huggan, 2013-08-22 Today's celebrity conservationists many of whom made their reputations through television and other visual media play a major role in drawing public attention to an increasingly threatened world This book one of the first to address this contribution focuses on five key figures the English naturalist David Attenborough the French marine adventurer Jacques Yves Cousteau the American primatologist Dian Fossey the Canadian scientist broadcaster activist David Suzuki and the Australian crocodile hunter Steve Irwin Some of the issues the author addresses include What is the changing relationship between western conservation and celebrity How has the spread of television helped shape and mediate this relationship To what extent can celebrity conservation be seen as part of a global system in which conservation like celebrity is big business The book critically examines the heroic status accorded to the five figures mentioned above taking in the various discourses around nature science nation gender through which they and their work have been presented to us In doing so it fills in the cultural historical and ideological background behind contemporary celebrity conservationism as a popular expression of a chronically endangered world

Afterlife As Afterimage Understanding Posthumous Fame Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Afterlife As Afterimage Understanding Posthumous Fame free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Afterlife As Afterimage Understanding Posthumous Fame free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Afterlife As Afterimage Understanding Posthumous Fame free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Afterlife As Afterimage Understanding Posthumous Fame. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open

Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Afterlife As Afterimage Understanding Posthumous Fame any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Afterlife As Afterimage Understanding Posthumous Fame Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Afterlife As Afterimage Understanding Posthumous Fame is one of the best book in our library for free trial. We provide copy of Afterlife As Afterimage Understanding Posthumous Fame in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Afterlife As Afterimage Understanding Posthumous Fame. Where to download Afterlife As Afterimage Understanding Posthumous Fame online for free? Are you looking for Afterlife As Afterimage Understanding Posthumous Fame PDF? This is definitely going to save you time and cash in something you should think about.
