Dimendberg**

Against Socialist Illusion:

Against Socialist Illusion David Selbourne,1984 **Against Socialist Illusion - A Radical Argument** David Selbourne,1984-11-01 **Rosa Luxemburg: Socialism or Barbarism** Rosa Luxemburg,2010-09-06 Rosa Luxemburg's writings reveal one of the most brilliant and passionate minds drawn to the revolutionary socialist movement Through the letters pamphlets and theorising we see an outstanding social and economic theorist a dedicated political activist and a devoted confidant Providing an extensive overview of her writings this volume contains a number of items never before anthologised Her work was broad in scope tackling capitalism and socialism globalisation and imperialism history war and peace social struggles trade unions political parties class gender race the interconnection of humanity with the natural environment The editors provide an extensive and informative introduction outlining and evaluating her life and thought This is the most comprehensive introduction to the range of Rosa Luxemburg's thought [The Weimar Republic Sourcebook](#) Anton Kaes,Martin Jay,Edward Dimendberg,2023-11-15 A laboratory for competing visions of modernity the Weimar Republic 1918 1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possibilities of our age The Weimar Republic Sourcebook represents the most comprehensive documentation of Weimar culture history and politics assembled in any language It invites a wide community of readers to discover the richness and complexity of the turbulent years in Germany before Hitler's rise to power Drawing from such primary sources as magazines newspapers manifestoes and official documents many unknown even to specialists and most never before available in English this book challenges the traditional boundaries between politics culture and social life Its thirty chapters explore Germany's complex relationship to democracy ideologies of reactionary modernism the rise of the New Woman Bauhaus architecture the impact of mass media the literary life the tradition of cabaret and urban entertainment and the situation of Jews intellectuals and workers before and during the emergence of fascism While devoting much attention to the Republic's varied artistic and intellectual achievements the Frankfurt School political theater twelve tone music cultural criticism photomontage and urban planning the book is unique for its inclusion of many lesser known materials on popular culture consumerism body culture drugs criminality and sexuality it also contains a timetable of major political events an extensive bibliography and capsule biographies This will be a major resource and reference work for students and scholars in history art architecture literature social and political thought and cultural film German and women's studies A laboratory for competing visions of modernity the Weimar Republic 1918 1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possi **Eduard Bernstein on Socialism Past and Present** Marius S. Ostrowski,2021-01-08 This book presents six major texts and selected shorter writings by the social democratic thinker and politician Eduard Bernstein translated into English for the first time Socialism Past and Present The Social Doctrine of

Anarchism Social Liberalism or Collectivism How is Scientific Socialism Possible What is Socialism The Socialisation of Enterprises and articles from the periodicals *Neue Zeit* and *Sozialistische Monatshefte* alongside several unpublished manuscripts Written over the period 1893 to 1931 these works focus on socialism as an ideology and trace debates about ethics social science and class struggle that preoccupied the early 20th century socialist movement Bernstein carefully demarcates the boundaries between socialism and its ideological rivals contrasting its communitarian aspirations with individualistic liberalism and anarchism and its adherence to democratic methods with the totalitarian violence of communism and fascism He revisits the intellectual canon of socialist thought recentring contributions by Ferdinand Lassalle Karl Rodbertus and other neglected figures alongside those of Karl Marx and Friedrich Engels Urging socialists to seize the opportunities afforded by their growing political representation Bernstein addresses the strategies needed to achieve progressive policy reforms including the prospects for realising socialism with the foundation of the Weimar Republic In this illuminating collection Marius Ostrowski brings together several essays by Eduard Bernstein spanning a forty year period of activity and addressing the question of what is socialism At a time of renewed reflection on the foundation and value of social democracy engaging with the thought of one of its founding fathers will be immeasurably valuable for both supporters and critics Professor Lea Ypi London School of Economics UK During his long life Eduard Bernstein made a contribution of great significance to both the theoretical and political development of the left emerging as a founding figure of European social democracy In this splendid volume Marius Ostrowski presents Bernstein's writing in its full richness and complexity bringing together his lucid translations into English of some of the major theoretical works published by Bernstein during the years of the Weimar Republic This book makes a valuable contribution to our understanding of the development of the socialist tradition during a period of great political turmoil and gives us a three dimensional understanding of Bernstein's contributions to socialism and social democracy Dr Martin O'Neill University of York UK

[Habermas, Critical Theory and Health](#) Graham Scambler, 2013-11-05 The contribution of the German sociologist and philosopher Jurgen Habermas has proved seminal for attempts to understand the nature of social change in the context of global capitalism This book provides an accessible introduction to his work and shows how his theories can be fruitfully applied to a wide range of topics in the sociology of health and illness including lay health knowledge doctor patient interaction health care decision making health inequalities new social movements in health health care rationing the Foucault perspective Habermas Critical Theory and Health will open up both new issues and new lines of empirical enquiry which will be of special interest to teachers and students of social theory and the sociology of health and illness and offers healthcare professionals new perspectives on their practice

Pessimism - Bailey Joe Bailey, 2013-11-26 First Published in 1988 Pessimism is a peculiar idea It is either seen as a psychological problem or as a metaphysical issue but in neither sense is it treated as useful or illuminating or in any way relevant to our understanding of the world It is the thesis of this book that pessimism and optimism are unavoidable kinds of

social judgment of the future which we all display and act upon *Bernard Shaw on Politics* George Bernard Shaw, 2020-10-01 A collection of critical writings on politics from the Nobel Prize winning playwright behind *Saint Joan* and *Man and Superman* *The Critical Shaw On Politics* is a comprehensive selection of renowned Irish playwright and Nobel Laureate Bernard Shaw's opinions on a wide range of political movements, ideologies and events that helped shape the international landscape of the late nineteenth and early twentieth centuries. With unwavering conviction and in many cases openly courting controversy and calumny, Shaw spoke his mind on the big isms of his time: Socialism, Capitalism, Communism and Fascism. He championed Socialism in its formative years, he condemned all combatants in the First World War, he berated America's embrace of Capitalism, he praised Russia's choice of Communism, he lauded Stalin, he rejected the notion that Hitler was responsible for the Second World War, and he scorned Democracy. Persistently provocative, sometimes outrageous, always the political iconoclast, Shaw's political convictions as soapbox orator or world famous pundit challenge us to face the political issues and dilemmas of our own time with similar rigor and integrity. *The Critical Shaw* series brings together in five volumes and from a wide range of sources selections from Bernard Shaw's voluminous writings on topics that exercised him for the whole of his professional career: Literature, Music, Politics, Religion, and Theater. The volumes are edited by leading Shaw scholars and all include an introduction, a chronology of Shaw's life and works, annotated texts, and a bibliography. The series editor is L. W. Conolly, literary adviser to the Shaw Estate and former president of the International Shaw Society.

The Complete Works Volume of Rosa Luxemburg: Volume V Rosa Luxemburg, 2024-05-28 This volume is the first to contain all of Luxemburg's eloquent writings on the 1917 Russian Revolution and 1918-19 German Revolution. This volume is the first to contain all of Luxemburg's eloquent writings on the 1917 Russian and 1918-19 German Revolutions. It also contains articles, essays, and manuscripts on the European socialist movement prior to World War I and her effort to rebuild the socialist movement on revolutionary foundations in its aftermath. Much of this material appears in English for the first time. Her incisive contributions on revolutionary strategy, the German and Russian Revolutions, and the transition to socialism reveal a profound commitment to radical democracy, which becomes evident as she elaborates on her lived experience with razor-sharp conceptualizations of the mass strike. Her democratic commitment is also highlighted in her deepening conflict with the bureaucratic conservatism afflicting the German Social Democratic Party. She is horrified yet, at the same time, grimly analytical while surveying the unfolding violence and brutality of the First World War. Deeply inspired by Russia's 1917 upsurge, she is nonetheless compelled to analyze and criticize fatal limitations of the Russian Revolution. Swept up in the revolutionary chaos sweeping through Germany in 1918-1919, which results in her own martyrdom, she gives voice to revolution's final testament: *I was, I am, I shall be*. **Major Political Writings** George Bernard Shaw, 2021 A new collection of Shaw's major political writings presents an opportunity to reflect on his influential role as a public intellectual. At the forefront of economic and political debate from the 1880s to the 1950s, George Bernard Shaw was once the most widely read

socialist writer in the English language and his lifelong crusade against inequality and exploitation is far from irrelevant today The thorough interpenetration of Shaw s literary and political engagements is an unusual story in modern literature and this volume offers a portrait of Shaw as a political artist in the purest possible sense that is as a writer of essays articles pamphlets and books with explicitly and expressly political aims The selected writings in this volume showcase Shaw s most influential and most accomplished political work but also provide a cross section that is representative of the whole of his long career ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
