Agape What Love Really Is:

Agape J. Kevin Abraham, 2003-12 **God, Creation and Revelation** Paul Jewett, 2000-10-17 *The Spiritual Gifts* Chuck Missler, 2023-01-25 The apostle Paul told the Corinthian Christians Now concerning spiritual gifts brethren I would not have you ignorant Sadly today many people are confused about the person and work of the Holy Spirit Who or what is the Holy Spirit What are the gifts of the Spirit Are the gifts of the Spirit for today Do all Christians have spiritual gifts What is the greatest sign of being filled with the Holy Spirit *Triumphant* Elizabeth J.F. Vejar, 2022-11-10 Your walk with Jesus is uniquely yours Your gifts and talents physical attributes and limitations have been selected specifically for you At first breath you were given free will from your Creator allowing you to make choices each day to trust and obey Him or go another way perhaps your own way We all fall short of God's perfection that is the truth But we can choose to live an obedient life here on earth that brings forth glory to our Father in Heaven When we choose to obey his word promises us glorious rewards that await us in his kingdom to come In this book you will discover different areas in life where God calls us to obey because He knows it is good for us He is not up in Heaven waiting for us to make mistakes but graciously and mercifully carries our brokenness back to the cross to repent and turn our hearts back to Him This gift of forgiveness lies within Christ our Savior and deep within the pages of the Holy Bible The scriptures of truth and obedience have been brought to life here in this book *Triumphant* *Dogmatics I* Emil Brunner, 2025-04-24 One of the great twentieth century works of theology Emil Brunner's *Dogmatics* series presents a profoundly biblical systematic theology Finding a path between Barth and Bultmann Brunner explores key doctrines such as the doctrine of God creation and redemption and the doctrine of the church and of faith These foundational texts from a leading theologian of the 20th century are crucial for scholars and students illuminating how modern Protestant theology was formed in the last century The first volume serves as an introduction to Brunner's view of dogmatics setting out the nature position and necessity of dogmatics before exploring the many facets of the doctrine of God In detailed vigorous explanation Brunner considers the nature and will of God including his name his holiness his wisdom and his glory Thorough insightful and extensive this first volume is an illuminating beginning to this series The second volume explores the fundamental concepts of the protestant doctrine from creation and the creator to man's position within creation sin and its consequences and the saving work of Jesus Brunner explores all of the possibilities of these fundamentals and his detailed thoughtful arguments are designed as he says to set us free to have a faith which is based on nothing save the Love of God revealed in Jesus Christ The third and final volume focusses on the theology of the Church as a reflection of God's self revelation through the Holy Spirit and an eternal consummation of Divine self communication Drawing together the understanding gleaned in the previous two volumes Brunner addresses the nature of the church and faith to bring his systematic biblical theology into the experiences of his readers **Relationality** LeAnzar Stockley, 2017-06-20 *Relationality* encourages the whole of humanity to consciously align to the divine relational unconditional love nature within each of us

Through this book LeAnzar uses his passionate yet artistic voice to call readers beyond social constructs past the pain and common mechanisms of defense and into the deep realities of what he calls their spirit soul Offering a passionate charge laced with intense realities inclusive of comical relief Relationality gracefully draws our attention to what really matters in life and ultimately why we are here

The Deepest Longing of Young People Jerry Goebel,2006 The best way to teach young people that they are valuable and meaningful is to offer them uninterrupted attention By that simple yet powerful act we are showing young people that it isn't what they can do for us that matters What matters is their inalienable right to unconditional love This is the deepest longing of our young people today consistent transparent relationship not a new program or curriculum to tell them what to do or what they should value but a caring compassionate adult who will walk the path to wholeness with them In *The Deepest Longing of Young People* Jerry Goebel reminds us that the greatest statement we make to young people is to spend time with them to come to them especially when they have been most inconsistent and at that time be least judgmental Every parent and everyone who works with youth should read this book
