After Yesterdays Crash The Avant Pop Anthology:

After Yesterday's Crash, 2013 **Representations of Poverty in Videogames** Adam Crowley, 2022-05-31 This book argues that videogames address contemporary middle class anxieties about poverty in the United States The early chapters consider gaming as a modern form of slumming and explore the ways in which titles like The Elder Scrolls V Skyrim and World of Warcraft thematize poverty The argument turns to the field of literary studies to identify analytical frameworks for addressing and understanding these themes Throughout the book considers how the academic area of inquiry known as game studies has developed over time and makes use of such scholarship to present frame and value its major claims and findings In its conclusion the book models how poverty themes might be identified and associated for the purpose of gaining greater insights into how games can shape and also be shaped by the player's economic expectations *Fiction's Present* R. M. Berry, Jeffrey R. Di Leo, 2015-05-11 Combining creative and critical responses from some of today's most progressive and innovative novelists critics and theorists *Fiction's Present* adventurously engages the aesthetic political philosophical and cultural dimensions of contemporary fiction By juxtaposing scholarly articles with essays by practicing novelists the book takes up not only the current state of literature and its criticism but also connections between contemporary philosophy and contemporary fiction In doing so the contributors aim to provoke further discussion of the present inflection of fiction a present that can be seen as Janus faced looking both forward to the novel's radically changed political economic and technological circumstances and back to its history of achievements and problems Editors R M Berry and Jeffrey R Di Leo contend that examinations of fiction's present are most informative not when they defend philosophical distinctions or develop literary classifications but when they grapple with elusive topics such as the meaning of a narrative present or the relation of fiction's medium to its representations of context As the essays reveal this process when pursued diligently breaks down traditional divisions of academic and intellectual labor compelling the fiction writer to become more philosophical and the theorist to become more imaginative The value of this book is not in the exhaustiveness of its treatment but rather in the seriousness of the criticism it incites The present materializes in quarrel and it is toward such a beginning that the writings in *Fiction's Present* work The Big Book of Cyberpunk Jared Shurin, 2023-09-26 A genre defining and redefining collection of the boldest most rebellious and most prescient speculative fiction featuring stories from all over the globe The sky above the port was the color of television tuned to a dead channel Almost forty years ago William Gibson wrote the line that began *Neuromancer* and a movement that would change the face of science fiction Award winning anthologist Jared Shurin brings together over a hundred stories from more than twenty five countries that both establish and subvert the classic cyberpunk tropes and aesthetic from gritty near future noir to pulse pounding action Urban rebels undermine monolithic corporate overlords Daring heists are conducted through back alleys and the darkest parts of the online world There's dangerous new technology cybernetic enhancements scheming AI corporate mercenaries improbable weapons and roguish hackers These

tales examine the near now extrapolating the most provocative trends into fascinating and plausible futures We live in an increasingly cyberpunk world packed with complex technologies and globalized social trends A world so bizarre that even futurists couldn't explain it though many authors in this book have come closer than most As both an introduction to the genre and the perfect compendium for the lifelong fan *The Big Book of Cyberpunk* offers a hundred ways to understand where we are and where we're going Laugh Lines Carrie Conners, 2022-04-19 Humor in recent American poetry has been largely dismissed or ignored by scholars due in part to a staid reverence for the lyric *Laugh Lines* Humor Genre and Political Critique in Late Twentieth Century American Poetry argues that humor is not a superficial feature of a small subset but instead an integral feature in a great deal of American poetry written since the 1950s Rather than viewing poetry as a lofty serious genre Carrie Conners asks readers to consider poetry alongside another art form that has burgeoned in America since the 1950s stand up comedy Both art forms use wit and laughter to rethink the world and the words used to describe it Humor's disruptive nature makes it especially whetted for critique Many comedians and humorous poets prove to be astute cultural critics To that end *Laugh Lines* focuses on poetry that wields humor to espouse sociopolitical critique To show the range of recent American poetry that uses humor to articulate sociopolitical critique Conners highlights the work of poets working in four distinct poetic genres traditional received forms such as the sonnet the epic procedural poetry and prose poetry Marilyn Hacker Harryette Mullen Ed Dorn and Russell Edson provide the main focus of the chapters but each chapter compares those poets to others writing humorous political verse in the same genre including Terrance Hayes and Anne Carson This comparison highlights the pervasiveness of this trend in recent American poetry and reveals the particular ways the poets use conventions of genre to generate and even amplify their humor Conners argues that the interplay between humor and genre creates special opportunities for political critique as poetic forms and styles can invoke the very social constructs that the poets deride Mosaic Man Ronald Sukenick, 1999 A fantasy novel on a Jew seeking his identity following him in various situations In one he participates in a bombing raid on present day France which is controlled by fascists in another he is in Israel seeking the Golden Calf *After Yesterday's Crash* Larry McCaffery, 1995-08-01 Some of the hottest writers of the 90's shared a subversive aesthetic sensibility avant pop that drew on the forms images slogans characters and narrative archetypes of our multidimensional information dense culture cartoons films music videos advertising and rock music to explore and critically examine that culture Each of these thirty two works delves into the deeper metaphorical implications of this pop cultural imagery to convey a turn toward overstimulation and hyper consumption in American life and to explore issues of personality and identity This provocative stylistically experimental work is truly literature for the twenty first century *The Year's Best Science Fiction: Thirteenth Annual Collection* Gardner Dozois, 1996-05-15 The marvels of tomorrow's past and tomorrow's yet to come abound in this delightful volume With two dozen imaginative and moving tales this collection included the work of the finest writers in the field among them Poul

Anderson Terry Bisson Pat Cadigan Greg Egan Michael F Flynn Joe Haldeman James Patrick Kelly John Kessel Nancy Kress Ursula K Le Guin Ian R MacLeod David Marusek Paul J McAuley Maureen F McHugh Robert Reed Mary Rosenblum Geoff Ryman William Sanders Dan Simmons Brian Stableford Allen Steele Michael Swanwick A helpful list of honorable mentions and Gardner Dozois's insightful summation of the year in science fiction round out the volume making it indispensable for anyone interested in science fiction today Once again Dozois serves up a pleasurable mix of established luminaries as well as the newer stars of the SF realm All of the 24 short stories or novellas are rewarding which is really the most outstanding feature of this collection Publishers Weekly The Cambridge Companion to American Fiction After 1945 John N. Duvall, 2012 A comprehensive 2011 guide to the genres historical contexts cultural diversity and major authors of American fiction since the Second World War *Postindian Conversations* Gerald Vizenor, A. Robert Lee, 2003-06-01 Postindian Conversations is the first collection of in depth interviews with Gerald Vizenor one of the most powerful and provocative voices in the Native world today These lively conversations with the preeminent novelist and cultural critic reveal much about the man his literary creations and his critical perspectives on important issues affecting Native peoples at the beginning of the twenty first century The book also casts new light on his sometimes controversial ideas about contemporary Native identity politics economics scholarship and literature Gerald Vizenor is a professor of American Studies and Native American literature at the University of California Berkeley He is the author of more than twenty books including the American Book Award winner *Griever* *An American Monkey* *King in China* A Robert Lee is a professor of American literature at Nihon University in Tokyo His books include *Designs of Blackness* *Mappings in the Literature and Culture of Afro America* His edited works include *Shadow Distance* A Gerald Vizenor Reader
