

Open Wounds-A Harlot's Child

**Unbearable cares held back...
face turning emerald with despair
by lost, withered dreams...
by his lost childhood**

**He was a harlot's boy-
now a man...
lost in the wilderness
haunted by his deceit of things
that cannot be undone**

**A sin eater...
swallowing old mistakes
tapping against time
acknowledging his poverty
of heart and soul**

**A lost man...
trapped in the excesses of his life
trying to manage the consequences
come rain or shine**

**When he was a child
no one came to wipe his tears away
No one was there to heal his open wounds**

**All those who chose to trespass
against his heart and soul-
dance untamable in his mind
with his life...
slowly bleeding away**

Against All Wounds Poems:

Poems from My Storms Shamico J. Winger, 2012-01-09 This is a book about healing forgiving and reaching out to others In this book I try to be as transparent as possible Over the years I ve learned that anything that I ve allowed to remain hidden has power over me Only through revealing and then dealing with the pain will healing be allowed to take place The Bible says in Revelation 12 11 and they overcame him by the blood of the Lamb and the word of their testimony God did not give me a spirit of fear but of love power and a sound mind I can t fully serve God and help His people if I m afraid of what may be said or thought of me I am a servant my whole life s goal is to please my Savior God saved me from depression suicidal thoughts and many other destructive behaviors I m not foolish enough to think that I could ever repay Him What can I give Him that He hasn t already given me I will spend the rest of my life laboring in His fields spreading the Good News of the Gospel of Jesus Christ proclaiming God s unfailing love for All of His children Perfect love casts out fear my love for God won t allow me to be afraid I can stroll fearlessly through the valley of the shadow of death and fear no evil because He is with me His rod and His staff comfort me I am not nor will I ever be ashamed of anything I ve gone through The things that were designed to break me actually shaped me into the woman I am today English Translations from Ancient and Modern Poems ,1810

Reading Baudelaire's Le Spleen de Paris and the Nineteenth-Century Prose Poem Seth Whidden, 2022-06-02 Through its readings of Charles Baudelaire s collection *Le Spleen de Paris* and other prose poems from the nineteenth century this book considers the practice of reading prose poetry and how it might be different from reading poetry in verse Among the numerous factors that helped shape the nascent modernity in Baudelaire s poetic prose are the poems themes forms linguistic qualities and modes The contradictions identifiable at the level of prose poetry s discourse are similarly perceptible in other aspects of Baudelaire s poetic language beyond the discursive in the poems formal considerations which retain recognisable traces of verse despite their prose presentation and with respect to both poetic form and thematics in the sights and sounds that contribute to their poeticity With a focus on what makes prose texts poetic this study sheds light on Baudelaire the practitioner of the prose poem as he navigated and complicated the boundaries between verse prose and poetry Rather than rejecting those categories Baudelaire forges a poetic space in which the notions of poetry and prose are recast juxtaposed in a delicate balance in a textual space they manage to share This coexistence of poetry and prose previously thought of as incompatible is the underlying tension and framework that contributes importantly to the modernity of his prose poetry In turn this new mode of poetry calls for new modes of reading poetry and new ways of engaging with a text **The Poetical Register, and Repository of Fugitive Poetry for 1801-11** ,1807 **The New Oxford Book of War Poetry** Jon Stallworthy, 2014-06-26 There can be no area of human experience that has generated a wider range of powerful feelings than war Jon Stallworthy s classic and celebrated anthology spans centuries of human experience of war from Homer s *Iliad* through the First and Second World Wars the Vietnam War and the wars fought since This new edition
