

AUSTRALIANS AT WAR

GALLIPOLI ONE LONG GRAVE

Agallipoli One Long Grave Aust At War

Alistair Thomson

Agallipoli One Long Grave Aust At War:

Gallipoli Kit DENTON,1987 **Gallipoli** Kit Denton,1986 Anzac Memories Alistair Thomson,2013-11-01 Anzac Memories was first published to acclaim in 1994 and has achieved international renown for its pioneering contribution to the study of war memory and mythology Michael McKernan wrote that the book gave as good a picture of the impact of the Great War on individuals and Australia as we are likely to get in this generation and Michael Roper concluded that an immense achievement of this book is that it so clearly illuminates the historical processes that left men like my grandfather forever struggling to fashion myths which they could live by In this new edition Alistair Thomson explores how the Anzac legend has transformed over the past quarter century how a post memory of the Great War creates new challenges and opportunities for making sense of the national past and how veterans war memories can still challenge and complicate national mythologies He returns to a family war history that he could not write about twenty years ago because of the stigma of war and mental illness and he uses newly released Repatriation files to question his own earlier account of veterans post war lives and memories and to think afresh about war and memory *Dinkum Diggers* Dale James Blair,2016-06-03 Tall sun bronzed hardy Resourceful independent egalitarian Scornful of authority loyal to their mates These mythical characteristics of the Anzac diggers are central to our idea of what it is to be Australian But did the soldiers themselves fit the stereotype How closely does the myth match the reality This penetrating study strips away celebratory generalisations and measures the Anzac legend against the actual experiences of one battalion that fought at Gallipoli and on the Western Front in World War I The diaries and letters written by soldiers of the 1st Battalion reveal attitudes insights comments and criticisms that qualify and even contradict the Anzac legend In *Dinkum Diggers* Dale James Blair compares these first hand accounts by front line infantrymen with unit diaries operational records service and repatriation records as well as with interviews with family members and statistical analysis to present a well rounded picture of the complexities of the 1st Battalion s experience By narrowing the focus of Australian war experience to a single battalion he demonstrates nuances and subtleties showing how the men viewed and reacted to their own officers and how both officers and men behaved in combat He follows these war damaged soldiers into civilian life where they mostly kept quiet as conservative forces worked to enshrine and sanitise Australia s sacrifice This book makes a notable contribution to revisionist studies about World War I It is a patient thorough and scholarly demolition job on the Anzac legend a reality check on back slapping triumphalism and the glorification of war

The Dardanelles Campaign, 1915 Fred R. van Hartesveldt,1997-11-20 The passage of time has not slowed the production of books and articles about World War I This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major

interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles The Battle of Jutland by Eugene Rasor and The Battles of the Somme by Fred R van Hartesveldt

Sightlines Helen Gilbert, 2025-10-01 *Sightlines* Race Gender and Nation in Contemporary Australian Theatre asserts the centrality of theater to the ongoing negotiations of the Australian context By exploring ways in which ideas about race gender and nation are expressed in concrete theatrical contexts the performative qualities of theatrical representation are revealed as compelling important sites of critique Helen Gilbert discusses an exciting variety of plays drawing examples from marginalized groups as well as from the theatrical mainstream While fully engaged with the discourses of contemporary critical thought *Sightlines* remains focused on the material stuff of the theater grounding its discussion in the visual elements of costume movement and scenography And although focused specifically on performance the author's insistent interest in historical and political contexts also speaks to the broader concerns of cultural studies The book's recurrent concern with representations of Aboriginality particularly in the works of nonindigenous playwrights draws attention to racial politics as a perennial motif in postcolonial nations Its illumination of the relationships between patriarchy and imperialism is supported by an extensive discussion of plays by and about women This nomadic approach marks *Sightlines* as a groundbreaking study of recent Australian theater a provocative application of postcolonial theory to the embodied qualities of theatrical representation An impressive and ground breaking study that provides a coherent postcolonial approach to Australian drama Bill Ashcroft University of New South Wales Elegantly written and always beautifully lucid in its argument this is a very original work particularly in its marriage of performance theory and postcolonial analysis Deidre Coleman University of Sydney Helen Gilbert is Lecturer in Drama and Theatre Studies University of Queensland and co author with Joanne Tompkins of *Post Colonial Drama Theory Practice Politics*

The Anzac Illusion Eric Montgomery Andrews, 1993 This provocative book is reassessment of Australia's role in World War I and its relations with Britain

Goodbye Cobber, God Bless You John Hamilton, 2007-11-10 On August 7th 1915 men of the 3rd Light Horse Brigade staged one of the most tragic brave and futile charges of the First World War Seeking to break out of the Anzac position at Gallipoli they attempted to storm an extraordinarily strong Turkish position defended by artillery machineguns and thousands of men using nothing but fixed bayonets and raw courage The first wave of Light Horsemen were killed within seconds of leaving their trench yet over the course of the next few minutes three more lines went over the top across the bodies of their dead and dying comrades only to be instantly cut down themselves All of them knew they were about to die None held back It was a massacre immortalised in Peter Weir's film *Gallipoli* Just before the order was given to send the third line Trooper Harold Rush turned to his mate standing next to him and said Goodbye cobber God bless you These words appear on his headstone in the little cemetery near the scene of the charge John Hamilton's book follows the men who fought and died in this action from the recruiting frenzy of August 1914 to their training camps to Egypt to the peninsula itself to that fatal morning It is a work of

meticulous research and detail which puts flesh on the bones of long dead men and boys We see through their eyes the excitement fear and horror of a generation encountering the carnage of modern war for the first time Goodbye Cobber God Bless You is compelling personal and painfully moving

The Price of Valour John Hamilton,2012-09-01 From the bestselling author of Goodbye Cobber God Bless You and Gallipoli Sniper When Hugo Throssell joined the 10th Light Horse Regiment in 1914 soon after the outbreak of the First World War he was emblematic of the young Australian nation at that time full of youth vigour courage and idealism These traits were to see him awarded a Victoria Cross after the savage fighting for Hill 60 during the Gallipoli campaign Badly wounded Throssell was sent to England to recover There he met his future wife Katharine Susannah Prichard journalist novelist and committed socialist It was the beginning of a relationship that changed the course of his life for although he was to return to war and fight in Palestine his view of the conflict and its terrible sacrifices began to turn By 1919 Throssell once hailed as an Australian hero was ready to publicly denounce the war His stance was to forever alienate him from former comrades and the political establishment The war affected him in other ways too as he found himself unable to hold down a job and increasingly prone to episodes of depression In 1933 Throssell killed himself leaving behind his beloved wife and only child In his triumph and tragedy he remained as emblematic to his country as he d been in those heady days of 1914 an example of courage and sacrifice whose youth and future had been forever darkened by the experience of war Award winning journalist and bestselling author John Hamilton has written a compelling narrative giving us an extraordinary perspective of the Gallipoli battles for The Nek and Hill 60 combined with a compassionate and intimate account of the rise and fall of a real Australian hero

War, Journalism and the Shaping of the Twentieth Century Angela V. John,2006-03-31 Called the king of Correspondents Henry W Nevins 1856 1941 captured the political zeitgeist in his newspaper journalism and books about conflicts across the globe He provided astute first hand observations on events such as war between Greece and Turkey the Siege of Ladysmith in South Africa the aftermath of the 1905 Russian Revolution and the Gallipoli tragedy in the First World War his copy obtained in perilous situations He bravely exposed the persistence of slavery in Angola unrest in India and conflict in Ireland his vivid and exquisite prose shocking and enlightening British readers He cultivated controversy with his brave stance on issues like women s suffrage and the self determination of small nations such as Georgia His first wife Margaret Wynne Nevins was a suffragette and writer their son the celebrated artist C R W Nevins In the 1920s Henry Nevins accompanied Ramsay MacDonald on the first visit of a British Prime Minister to an American President His perspectives whether on the Middle East the Balkans Russia or the United States illuminate many of the conflicts which resonate in today s uncertain world
