inner cities today is a distinctive experience deprivation and poverty are intense while social and cultural diversity enriches
everyday life *Urban Childhoods* puts children s and families voices centre stage while investigating ways of bringing children
s wellbeing to the fore in planning for urban life today and tomorrow Children s wellbeing starts from what children
themselves find important reliable relationships plenty to do especially outdoors and having a say in their lives Organised
around three main themes of place provisioning and infrastructure the book brings together key concepts from critical
childhood studies urban studies and public health to argue that used together these approaches offer a dynamic framework
for considering urban childhood Chapters are linked to a major prevention programme that ran between 2019 and 2025 in
the northern city of Bradford and the London Borough of Tower Hamlets They investigate spaces to play outdoors reclaiming
school streets child poverty economic support for child wellbeing via families and provision for under threes A number of
strategies also feature including support for mothers mental health resolving overcrowding involving children in making
better school food and increasing community participation in co creating health and wellbeing Each chapter has sections on
inequality of experience voices of children families and professionals who work with them and hopeful courses of action
including potential policy actions The whole builds into a blueprint for an urgently needed thriving urban childhood
