Guide Emotional Healing:

The Black Girl's Guide to Healing Emotional Wounds Nijama Smalls, 2020-02-23 I wish my father had been present in my life so I would not have accepted a lot of crap from men Growing up I didn't feel loved by my mother which caused It is hard to find and maintain a solid group of trustworthy girlfriends to do life with I was devastated by a previous lover and that hurt changed me for the worse I often don't feel loved I'm not happy with how my life turned out If you have ever said any of the above then this book is for you This means there may be emotional wounds that are stopping you from living your best life Disappointments rejection competition overthinking and family secrets are some of the emotional wounds that cause inner chaos and damage our sense of self As black girls we suffer differently and our history is complex Nijama Smalls is all too familiar with the suffering of black girls and shares her personal journey of uncovering the origin of Black girl trauma while also addressing the ongoing process of healing and recovery from wounds caused by past hurts The beauty of this book is that it provides a prescription for healing in the form of a soul cleansing process Enter this journey so that you can be set free to live the life God has planned for you Sis it's time to heal and end the suffering *Love and Healing* Dr Russell Clayton, 2021-06 Love And Healing is a guidebook intended to relieve emotional suffering Dr Clayton introduces Inner Restorative Healing as a proven method of accessing and practicing the ancient ways of sensory therapy The activation of earth's energy and power gets delivered to the emotional self and is intended to ignite a positive shift in your overall wellness Love And Healing is an inner journey of reprogramming your subconscious and harnessing the healing power of love Love is changeful it's the most powerful agent of change in existence These cultivated selections of self healing methods assist you into alignment with your higher self deepen your connection to your sacred heart improve your ability to deliberately manifest and help hardwire your access to the greater you The methods you'll be learning come from a combination of ancient healing techniques philosophies exercises and New Age wisdom Use this intuitive guidebook to choose your own combination of healing methods Start moving through life in a bold new way **Heal My Wounds** Jermaine Enoch Heaven, 2025-01-17 The world is broken and everyone is looking for a solution in all the wrong places It is hard to get a solution from the wrong source and expect a positive result I know that real emotional healing can only be received through Jesus Christ Yes pain always brings out the worst in us but if it is not processed properly it can cause irreparable damage I never realised how much my generation has been shaped by emotional hurt until I sat down to write this book And I always wondered why a lot of people felt the need to come to me asking for help or advice about their hurts It always broke my heart just listening to their experiences Thank God after a few counselling and prayer sessions they would receive their healing This became a day to day part of my life I now realise I was called to this God has given me the wisdom to deal with this kind of spiritual baggage I wrote this book to offer some solutions to emotional pain For this reason I have extensively used my personal experiences and those of other people to show those who are hurting that God can turn those hurts into an

opportunity for helping others I share my journey about how God healed me from a lot of emotional pain This book is therefore a personal guide to emotional healing I believe that this book will take you on a journey to personal healing I may not have the answers to every emotional problem but I think that I covered a majority of some of the problems you may be facing currently I encourage you to read this book It is very educational and eye opening If none of these situations applies to you I still encourage you to read on And if anything applies to you then trust that God will heal you by the time you finish reading this book Jermaine R Dokothum **The Black Girl's Guide to Healing Emotional Wounds Devotional** Nijjama Smalls,2021-01-05 A devotional that takes readers on a journey to heal wounded emotions day by day using Biblical principles The Emotional Healing Strategy Gael Lindenfield,2008-06-05 If you said to someone I m hurt their automatic reaction would be to call a doctor But if you were referring to an emotional injury what then We have spent years searching for medical answers to our physical pain yet when it comes to psychological injuries the solutions are much less evident Gael Lindenfield has suffered her own share of personal tragedy and this led her to develop her own methods for overcoming many different types of hurt She discovered that there are seven stages to recovery and these have been proven in their effectiveness not only by Gael herself but by the many clients she has helped The treatment will allow you to move on and develop a coping toolkit for any time of loss or hurt however great or small **Emotional Healing for the Inner Child** Anne Cummings,2009 Using emotional therapy techniques informed by Jung and Fromm the author shows how we can learn to respond with emotional intelligence to life around us Empath Marianne Gracie,2017-05-24 EMPATH A SPIRITUAL EMOTIONAL HEALING GUIDE TO PERSONAL TRANSFORMATION FOR HIGHLY SENSITIVE PEOPLE Are you unfulfilled in life Do things never seem to go your way Or have you struggled overcoming your past This may be true for many of us but empaths often have an even harder time trying to turn their lives around This is simply because empaths feel everything deeper So any trauma or emotional wounds they have suffered stays with them and can be harder to clear When these past hurts remain with us it makes us feel stuck and unhappy This book was written following the success of Marianne s first book Empath Healing but this title builds upon her previous work by delving even deeper into helping empaths and highly sensitive people heal themselves once and for all Being overly sensitive to everything can feel like a drag but this is because we re not harnessing the true power of this special gift Only by finally healing ourselves can we learn to embrace and love our natural feeling ability which can move us forward into living the life of our dreams Highly sensitives can become so accustomed to feeling the energy of others that it distracts them from feeling their own loving energy This title Empath includes Deep emotional and Spiritual healing for empaths Increasing self love Personal transformation for sensitive people Advanced strategies for handling energy and emotions Empath daily supplements and much more The main purpose of this book is to empower empaths on their journey of life Pick up a copy today to finally put your past behind you and step into your power *The Astrological Counseling Handbook: A Practical Guide to Self-Understanding* Bill G.
