How About Me S J Mendoza, 2012-09-25 I wrote this story based on people that I have met in my life They had shared their emotions and encounters of their life with me In our life we hope and wish to make the bad memories go away Instead they become our cancer in our heart never to leave our side Some may say they are stronger than others when it comes to dealing with bad problems That may be true but don't we all wish that we can make it all go away and never to return in our thoughts I myself truly believe there are strong individuals out there that can deal with this cancer Nevertheless all it takes is one little something to bring that bad memory back into our thoughts repeatedly I wish there was a pill to take so that one can forget the bad event that had happened in one's life Never to return into our thoughts but that would mean we just found a cure for memory cancer Even though some hide their true self by hiding their addiction May it be by pills drinking or smoking what ever Not willing to face reality One can only look in the mirror and truly tell them self What am I doing to myself Only one can only change if they truly believe they have the strength of the heart to do so I believe we all have a little bit of Lilly inside of us This is Lilly's story

Trivialities About Me and Myself Yeng Pway Ngon, 2014 Selected by Asiaweek as one of the 10 Best Chinese Novels of 2006 Winner Singapore Literature Prize for Chinese 2008 Selected by The Business Times as one of the Best Books of 2014 The Chinese protagonist of Cultural Medallion recipient Yeng Pway Ngon's novel Trivialities about Me and Myself is a journalist turned entrepreneur who possesses a split personality Me is a figure consumed by greed and sexual desire two impulses that undermine his careers his two marriages and his relationship with his son Throughout the novel he engages in a dialogue with his other identity the moralistic Myself whose principled stances try but usually fail to win over his other half The protagonist's lifetime from childhood to his dying days in a rest home parallels the modern history of Singapore itself and its evolution from a colonised city to a consumer oriented nation one in which an English language educational system and commercial interests suppress indigenous languages and traditions While the meticulously described action takes place in the city the real setting is within the psyche of the narrator whose two halves are engaged in an epic struggle for dominance

and be heard the concluding statement remains the same What About Me Indeed we have married men that are called to serve and protect the country we love so dearly But the truth of the matter is that we have been called as well We have a divinely assigned purpose in life We have been chosen to make a great impact in the world and in the lives of those around us This fictitious story of seven military wives brings to light many unknown battles and shortcomings of the women behind the men With its relatable and humorous style writing What About Me may have you crying one moment and laughing the next But one thing will happen for sure you will be empowered Extra! Much Ado About Me Fred Allen,2008-10-01 Radio and film star Fred Allen's autobiography Much Ado About Me

WHAT ABOUT ME ISM Vincent F. Hendricks,2025-02-20 In this book Vincent F Hendricks draws on game theory behavioral economics and moral philosophy in a scathing critique of what he calls whataboutmeism A form of egoism in which life is viewed as a zero sum game The colleague is promoted a friend hangs out with another friend but not you and your partner decides to spend the day off with the friends Promptly we may ask What about me Often enough the answer to that recurring question should simply be What about you It's not about you By systematically confusing autonomy with egoism and groupthink with democracy we develop and sustain this way of thinking To overcome this trend of whataboutmeism we must take a hard look at ourselves the games we play the way we behave and discipline ourselves into realizing it's not all about me Humorous erudite yet scholarly the book covers this prevalent trend in society that rages online as well as offline By providing a full analysis of said trend based on game theory behavioral economics and moral philosophy the author helps us realise that it's not all about me It's about us
