Susan I. Bubbers

A Body Broken For A Broken People Eucharist In The New Testament:

A Body Broken for a Broken People Francis J. Moloney, 1997 Roman Catholic exegete Francis J. Moloney in a study of the biblical passages and social context of the Eucharist raises the question as to whether prohibiting participation of faltering members meets the spirit of Christ's intent **A Scriptural Theology of Eucharistic Blessings** Susan I.

Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers' focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers' interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters The Eucharist in Scripture Clifford M. Yearly

with Little Rock Scripture Study Staff, 2020-05-15 A Bible study exploring the theme of meals shared in faithful fellowship and in covenant relationship with God Old Testament meals and promises provide a foundation for gospel meals with Jesus culminating in the Last Supper as it is understood throughout the New Testament Body Broken for a Broken People, A Francis J. Moloney, 1995-09-01 Here we have a Catholic exegete on the basis of a close analysis of the New Testament texts challenging his church to a reexamination of its disciplinary tradition if the meal practice of Jesus embodied a never failing presence of the Lord to his ever failing disciples then should not the church think twice before excluding faltering members from communion Moloney's stimulating study gives food for thought even to Protestants who may consider that their own communion discipline has relaxed to the point of disappearance In any case this book makes a significant contribution to reflection on the ways to hold together the divine generosity in forgiveness the call of sinners to repentance and the responsibility of the church as beneficiary messenger and steward of the gospel Geoffrey Wainwright Robert Earl Cushman Professor of Christian Theology Duke University **Reinterpreting the Eucharist** Anne F. Elvey, Carol Hogan, Kim

Power, Claire Renkin, 2014-10-14 The Eucharist continues to be central to contemporary Christian religious tradition and to be the focus for a wide range of assumptions and disputes Chief amongst these disputes is the role of women in the theology and the ritual of the Eucharist Reinterpreting the Eucharist brings together a diverse range of voices with each using their own marginalized experience to explore other ways indigenous culture medieval and contemporary art social history and environmental ethics of engaging with the Eucharist Presenting new forms of theological and ethical engagement the book

responds to the challenge of reconsidering the meaning of the Eucharist today **The Gospel of John** Francis J. Moloney, Daniel J. Harrington, 1998 A Michael Glazier book Includes bibliographical references and indexes **Eucharist** Ola Tjorhom, 2023-07-14 The Eucharist is the sacrament of Christ's presence his real presence Here he comes to us in bread and wine through outward and material signs that are accessible to all This is an expression of infinite grace However when Jesus gives himself to us we are called to share ourselves and what we have with others Thus the Eucharist also becomes the sacrament of fellowship and unity It is a sacrament in and for our wounded world a sacrament of life in the widest sense The reflections in this book are grounded in the Lutheran tradition combined with an open ecumenical approach They aim at unfolding some of the wealth of the Lord's Supper in a concise and accessible way **For Life Abundant** Dorothy C. Bass, Craig Dykstra, 2008-04-29 Bass and Dykstra have written extensively and collaboratively on Christian Practices arguing that the what Christians have done faithfully over time constitutes a life giving way of life and that this living of Christianity is more primary to what it means to be Christian than doctrinal confession that our confessions spring from faithful living rather than the other way around This book contains numerous essays that take up the question of Christian Practices and ministry the preparation of ministers theological education etc in a post Enlightenment understanding of the relationship of practice and head knowledge Because the book is the result of a community conversation it doesn't have a clear thesis but it models its conviction that reflection on theology arises from community conversation around our life in discipleship together An extremely helpful beginning to a conversation about ministry practices of faith clergy preparation etc as the time has come to integrate the kind of learning that comes in the classroom with the kind that only comes from living the faith with others Amazon com **Gentiles in the Gospel of Mark** Kelly Iverson, 2007-03-10 Explores the literary and theological portrayal of Gentiles in the Gospel of Mark [The Gospel of Mercy According to Juan/a](#) Bp. Pablo Virgilio S. David, DD, Nina L. B. Tomen, 2016-07-10 This book explores the biblical and socio cultural roots of mercy from the perspective of Juan/a the Filipino every woman Real life encounters with mercy or the lack of it and accompanying reflections essays attempt to weave a Filipino narrative of the Gospel of Mercy It draws inspiration from Pope Francis pronouncements on poverty on mercy and compassion his Philippine visit and his symbolic act of opening the Holy Door of Mercy in recognition of the Church's responsibility to be a living sign of the Father's love in the world as articulated in *Misericordiae Vultus* Read between the lines and discover how mercy flows freely at the most unexpected places in the unlikeliest circumstances in the company of family friends or strangers the fruit of Divine love and compassion towards all of creation
