A Century Of Great Suspense Stories:

A Century of Great Suspense Stories Various, 2002-11-05 Bestselling master of suspense Jeffery Deaver's enviable task was to select from the thousands of stories written over the past one hundred years those which best represented the classic form as well as the celebrated authors whose ironic twists and stunning payoffs left a lasting and vivid impression. Delivering everything from the one-two punch of the detective story to the ingeniously precise trappings of the police procedural from the disquieting corners of the criminal mind to sheer dread inducing horror *A Century of Great Suspense Stories* is a rich anthology of this popular literary genre a stunning tribute to the art of storytelling and to the men and women who have done it best. *Century of Great Suspense Stories* Jeffery Deaver, 2002. *A Century of Great Suspense Stories* Penguin Group (USA) Incorporated, 2003-03-01. **A Century of Great Western Stories** John Jakes, 2018-06-12 John Jakes 1 New York Times bestselling author of such acclaimed historical novels as *North and South* and *The Kent Family Chronicles* compiled in one volume a century's worth of his favorite American Western fiction. To illustrate the evolution of the genre Jakes has included such legendary authors as Owen Wister, Louis L. Amour, and Zane Grey along side their more contemporary peers such as Loren Estleman and Elmer Kelton. While the stories have changed over the years certain timeless themes of Western fiction remain constant. At the heart of the stories are ideas that have become synonymous with the American dream: the frontier spirit, individual freedoms, and man's relationship with the land. *A Century of Great Western Stories* is essentially a retrospective of western writing over the past century, but Jakes also sets out to give readers a glimpse of what the future might hold for western fiction. While trends in publishing might not always be promising, the current crop of contemporary Western authors show that the old west will always have a place in the world of fiction. Like the American dream which it celebrates, Western fiction will persevere. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. [Pointing to the Moon](#) Rochelle Lynn Holt, 2010 Each of us lives an extraordinary life; however, the artists are qualified to share their thoughts in a manner that preserves existence universally. Two writers, Rochelle Lynn Holt and Virginia Love Long, shared a friendship that was both literary and encompassing of everyday experiences. The writers, however, also revealed their emotions in poems and collaborative published projects. This memorial *POINTING TO THE MOON* is a novel biography in epistolary form. Letters have become a lost art now that e-mail exists. But once there was time to reflect in long missives. *The Best American Mystery Stories of the Century* Tony Hillerman, Otto Penzler, 2000 In this essential distillation of American suspense, 100 years worth of peerless tales are collected into a volume where giants of the genre abound: Raymond Chandler, Lawrence Sanders, Sue Grafton, Elmore Leonard, and Sara Paretsky. **A Lincoln Rhyme eBook Boxed Set** Jeffery Deaver, 2010-12-07 A trio of novels from internationally bestselling suspense master and seven-time Edgar Award nominee Jeffery Deaver featuring quadriplegic NYPD detective Lincoln Rhyme and his beautiful protégé Detective Amelia Sachs portrayed by Denzel Washington and
