A Christian Theology Of The Old Testament Biblical And Theological Classics Library Vol 21

Didier Musso

A Christian Theology Of The Old Testament Biblical And Theological Classics Library Vol 21:

Old Testament Theology Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available. However, they often give too much information or too little. Some can seem large and daunting to the ordinary student or pastor, and because of their layout, information may be hard to access. Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises. Robin Routledge's aim is to bridge this gap. He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text, with more detailed discussion and references for further reading in the footnotes. His purpose is to examine the theological significance of the various texts in their wider canonical context, noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments, whilst also being aware of diversity. A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter. His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students, it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today.

In the Eyes of God Brian C Howell, 2014-07-31 Throughout the Bible, divine interaction with humanity is portrayed in almost embarrassingly human terms. God sees, hears, thinks, feels, runs, rides, chariots, laughs, wields weapons, gives birth, and even repents. Many of these descriptions, taken at face value, seem to run afoul of classical thought about God's qualities of divine simplicity, transcendence, omniscience, omnipotence, omnipresence, and especially immutability. Traditionally, such representations have been seen as accommodations to human intellectual and moral limitations. They allowed God to be more comprehensible but did not actually describe any real part of His character, being, or interaction with humanity. References to God seeing or hearing, for example, are not deemed to represent real acts, as God is all-knowing. This view is largely based on the Aristotelian conception of metaphors: they are rhetorical devices and should not be taken literally. Since the 1970s, our understanding of the ways in which metaphors convey meaning has become much more sophisticated. We are better able to unlock the function of human acts of God within the Bible. This book aims to explore the biblical metaphor of divine sight in Genesis and how current conceptions of metaphorical function can enrich our reading of the text and its theology.

Exploring Christian Theology : Volume 1, 2014-11-11 The Foundations of Theology in Everyday Language. Dallas Seminary professors Nathan Holsteen and Michael Svigel are passionate about the key doctrines of Christianity. They want readers to know why they're important and why they matter. This volume includes two parts: How Firm a Foundation? Revelation, Scripture, and Truth; God in Three Persons: Father, Son, and Holy Spirit. The authors explore these important topics in a concise and highly readable style that makes sense whether you're a student of the Bible, a pastor, or someone who simply wants to know God better. For each topic, you'll find an introduction, overview, and review of the key points. Several applicable Bible texts, including verses to

memorize A quick paced history of the doctrine Distortions to be aware of and avoid Reading lists for further study A glossary of theological terms Exploring Christian Theology is a wonderful doctrinal primer that teaches theology in a way that will engage you and cause you to reflect A great way to get acquainted with key biblical theological themes Darrell Bock Senior Research Professor Dallas Theological Seminary Old Testament Theology Paul R. House,2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many **ESSAYS IN EARLY CHRISTIANITY** Jonathan Ramachandran,2025-07-13 Is there hope beyond the elect What did the earliest Christians believe about prophecy judgment and salvation In **ESSAYS IN EARLY CHRISTIANITY** Jonathan Ramachandran explores ancient theological possibilities grounded in Scripture and the writings of the earliest Church Fathers With careful adherence to the historical grammatical method and a commitment to literal biblical interpretation Ramachandran revisits the long forgotten Chiliasm model a belief in the literal thousand year reign of Christ on earth as taught by voices like Justin Martyr Irenaeus and Papias This volume offers bold insights into the prospect of Non Elect Salvation the idea that some may be saved outside the elect Bride of Christ not through presumption but through divine mercy and postmortem judgment Through in depth analysis of Scripture and early Christian testimony Ramachandran raises provocative questions Are there two distinct resurrections separated by 1 000 years Do Revelation and 1 Corinthians 15 describe gradations of resurrection glory Could the surprised sheep of Matthew 25 represent non elect salvation Designed for pastors seminary students and thoughtful churchgoers this accessible yet rigorous work is not speculative theology but evidence driven inquiry Readers are invited to examine early Christian prophecy with open Bibles and discerning minds testing all things and holding fast to what is good 1 Thessalonians 5 21 **Bibliotheca classica. A catalogue of classical books, including the entire library of a learned gentleman lately deceased, and now selling ... by Broster and Son, etc** BROSTER AND SON.,1801 Trinitarian Self and Salvation Scott D. Harrower,2012-01-13 In 1967 Karl Rahner famously wrote The economic Trinity is the immanent Trinity and vice versa From that time onwards Rahner s Rule has become the norm for conceiving the relationship between the Trinity in the economy of salvation and God s eternal inner life Evangelical theologians currently employ Rahner s Rule in a variety of ways One of the most popular is the Strict Realist Reading whereby trinitarian relationships in salvation history are taken to mirror eternal relationships within God This book brings this norm into conversation with the witness of Scripture in order to assess its viability In doing so it highlights troubling issues that arise from the application of the Strict Realist Reading of Rahner s Rule to the narrative of Luke Acts This book suggests that the Strict Realist Reading can be shown to be a questionable basis for our doctrine of God s inner life *The New Covenant Torah in Jeremiah and the Law of Christ in Paul* Femi Adeyemi,2006 Original Scholarly Monograph Out of Adventism Jerry A. Gladson,2017-10-17 From its

humble beginnings in the nineteenth century Seventh day Adventism has remarkably grown to become one of America's largest home grown faiths numbering nearly nineteen million members worldwide Yet Adventism harbors dark secrets within its history This is the true story of how one Adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted As his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an Adventist university he suddenly finds himself caught up in the maelstrom of a church's greatest theological crisis For him the denomination's theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity Rich in anecdotes and personal experiences Out of Adventism guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis Along the way the reader not only gets an insider's view of Adventism but also discovers a careful critique of the peculiar teachings of Seventh day Adventism

The Digital Pulpit Sunggu A. Yang, 2024-12-12 The focus of this volume is the practice of preaching as it is developed and performed in today's revolutionary context of digital technology and social media In the twentieth century the Christian pulpit adopted and made good use of digital technology and social media be it via television radio film cassette or CD ROM Now the revolutionary nature of digital technology and social media in the twenty first century demands an entirely new theological assessment with methodological adoptive concerns in relation to the practice of preaching In this volume a group of global homileticians provides their unique insights to the following questions and more What technologies do we have at our disposal and what technologies can we use in connection with preaching If any do we have a fine homiletical theology of digital technology and social media What are the best practices of preaching that can be conducted with current digital technology and social media platforms What merits and harms have we found in those best practices What new homiletical strategies are emerging in the current technological and social media context What contributions or connections do we see from existing homiletical theories in the current context of preaching
