here comes to light in terms of how a basic antithesis namely that between energy and gravity plays out in a number of different or seemingly unrelated contexts in relation to what the author holds to be its gender conditioned genesis Some of the material one should add has already been published in two previous titles viz Stations of the Supercross and Supercrossed but much of it has been reworked and revised here with the incorporation of some previously omitted content while much additional original material has also been included to give this project its unique character and justify its publication as in overall terms a less formal if not looser version of what might seem to some readers the too formal nature of in particular Supercrossed with its plethora of hyphenated phrases Therefore this should prove an easier though still far from uncomplicated book to read A Centretruths Editorial At First Light Walt Larimore, Mike Yorkey, 2022-04-19 As Seen on The 700 Club Winner of The Page Turner Non Fiction Book Award The Page Turner Golden Author Award and The Page Turner Best Book Award in True Stories What makes 2nd Lieutenant Phil Larimore s story special is what happened in World War II s closing days and the people and horses he interacted with in this Forrest Gump like tale that is emotional heartbreaking and inspiring Growing up in the 1930s in Memphis Tennessee Phil Larimore is the ultimate Boy Scout able to read maps put a compass to good use and traverse wild swamps and desolate canyons His other great skill is riding horses Phil does poorly in school however leading his parents send to him to a military academy After Pearl Harbor Phil realizes he is destined for war Three weeks before his eighteenth birthday he becomes the youngest candidate to ever graduate from Officer Candidate School OCS at Fort Benning Georgia Landing on the Anzio beachhead in February 1944 Phil is put in charge of an Ammunition Pioneer Platoon in the 3rd Infantry Division Their job deliver ammunition to the frontline foxholes a dangerous assignment involving regular forays into No Man s Land As Phil fights his way up the Italian boot into Southern France and across the Rhine River into Germany he is caught up in some of the most intense combat ever But it s what happens in the final stages of the war and his homecoming that makes Phil s story incredibly special and heartwarming An emotional tale of courage daring and heroism At First Light will remind you of the indomitable human spirit that lives in all of us
