

Three against four? It seems unlikely, but in 2012, the Pelicans struggled like this all season.

TOUGH TIMES

The Pelicans have had more losing seasons than winning seasons. Their lowest point came in 2004–05. They lost a team-record 64 games that season. From 2011 through 2016, they finished last in the Southwest Division each year. With superstar Anthony Davis leaving in 2019, the Pelicans might have some struggles ahead, too.

Global Christianity and the Early Letters of Horace G. Underwood James Jinhong Kim, 2022-03-31 Who was Horace G Underwood and what possible significance could another missionary of the nineteenth century have to help us rethink our approach to global Christianity and mission in the twenty first century As the first Protestant missionary to set foot in Korea the last hermit kingdom Underwood is regularly credited with Christianity s unparalleled success and continuing fervent presence in Korea today including its corps of over 27 000 fulltime missionaries in 170 countries around the globe second only to the US in the number of missionaries sent to foreign lands But as extraordinary as his journey to Korea may have been for this arguably most under recognized Protestant missionary of all time it may be his journey from it that offers us vital insights for the

future of missions From the making of Underwood through his formative years in England France and America to the Neo Confucian culture he encountered among the people in Korea this book culminates with the presentation and analysis of his previously unknown private letters from the years between 1884 and 1898 showing us the gradual process of interculturalization he himself underwent as a missionary that allowed him to discover and encourage global yet local expression of faith in Korea **Children's Catalog** H.W. Picturing Childhood Patricia Holland,2004-01-23 Whether controversial or taken for granted pictures of children are everywhere in magazines newspapers and advertisements on greetings cards and the Internet Picturing Childhood demonstrates how these familiar images reveal a view of childhood which is constantly changing With debates over children's rights in the 1970s child sexual abuse in the 1980s violent children in the 1990s and precocity and consumerism in the 2000s the traditional image of childhood innocence survives only as a form of kitsch Using images from a wide variety of sources this text considers the popular imagery in relation to news education welfare charity and consumerism and asks what implications does all this have for the ways in which children themselves are treated **Louisiana** Leslie S. Gildart,2002 Presents the history geography people politics and government economy social life and customs state events and attractions and notable people of Louisiana *The Pelican Guide to English Literature* Boris Ford,1973 Essays on classic and contemporary writings of English authors **Manliness and the Boys' Story Paper in Britain: A Cultural History, 1855-1940** K. Boyd,2002-11-04 In this pioneering work about the precursor to the comic book Kelly Boyd traces the evolution of the boys story paper and its impact on the imaginative world of working class readers From the penny dreadful and the Boy's Own Paper to the tales of Billy Bunter and Sexton Blake this cultural form shaped ideas about gender race class and empire in response to social change This study is an important analysis of a neglected part of popular culture
