A Time For Hysteria The Citizens Guide To Disarmament:

A Time for Hysteria Mortimer Lipsky, 1969 *Historical Dictionary of Arms Control and Disarmament* Jeffrey A. Larsen, James M. Smith, 2005-03-25 Historical Dictionary of Arms Control and Disarmament provides a historical review of key themes and issues in international security and arms control focusing on efforts in the 20th century to control the spread and use of armaments and to prevent war This book summarizes the rich and proud traditions of arms control and disarmament their critical role in ensuring a non catastrophic course throughout history especially the dangerous period of the Cold War and their continuing relevance and role in the emerging post Cold War world It also seeks to reinforce a broad perspective of key terms in order to capture the scope and range of their application yesterday today and tomorrow Given this combined tradition and focus this Dictionary serves two purposes As a historical dictionary it chronicles key terms personalities events and agreements as a ready reference from which to launch a more extensive investigation But it also seeks to capture the breadth of current and future applications by presenting the vocabulary of traditional and non traditional approaches The book includes a large dictionary of more than 1 000 key terms as well as a comprehensive bibliography divided into multiple categories an extensive chronology and a timeline This book can also serve as a useful desk reference for the policy practitioner The pace and intensity of the practice of arms control often eliminates the luxury of conventional study of past or related arms control efforts The dictionary seeks to provide a relevant sampling of treaty and agreement details and of the specific terms of reference of arms control to allow productive progress in a policy work environment Researchers and students will also find the dictionary to be a useful reference tool Much of the formal literature in the field such as treaty texts and policy pronouncements is written in technical language without elaboration Also many references to agreements are posed in shorthand intended only for the policy practitioner *Management Information Guide*, 1973 **Library of Congress Catalogs** Library of Congress, 1970 *American Book Publishing Record*, 1977-03-31 Here is quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **The Book Buyer's Guide**, 1968 **Adult Catalog: Subjects** Los Angeles County Public Library, 1970 *World Justice*, 1969 **The Nuclear Arms Race - Control Or Catastrophe?** Frank Barnaby, Geoffrey P.
