On their own premises: Southern Women Writers and the Homeplace Constante González Groba, 2011-11-28 Centrat en les obres de Kate Chopin Elizabeth Madox Roberts Zora Neale Hurston Lillian Smith Eudora Welty Alice Walker Llegix Smith Jill McCorkle i Bobbie Ann Mason aquest llibre analitza el retrat ambivalent de l'espai domèstic descrit per les escriptores del sud Les qüestions més profundes de gènere ra a i classe en una societat tradicional com la del sud americà es manifesten

precisament dins l'esfera domèstica on l'espai sovint un mitjà crucial de dominació. Les escriptores contemporànies del sud sovint han utilitzat la transformació de la llar i els seus significats com una nova font per a la ficció. Han estat explorant formes noves i antigues d'imaginar el que podria ser una llar i la seva narrativa diu molt de la manera en la qual el treball als llocs i la família contribueixen a la creació d'un altre en el sud contemporani.

Daughters Of Canaan Margaret Ripley Wolfe, 2021-12-14

From *Gone with the Wind* to *Designing Women* images of southern females that emerge from fiction and film tend to obscure the diversity of American women from below the Mason Dixon line. In a work that deftly lays bare a myriad of myths and stereotypes while presenting true stories of ambition, grit and endurance, Margaret Ripley Wolfe offers the first professional historical synthesis of southern women's experiences across the centuries. In telling their story she considers many ordinary lives: those of Native American, African American and white women from the Tidewater region and Appalachia to the Mississippi Delta to the Gulf Coastal Plain, women whose varied economic and social circumstances resist simple explanations. Wolfe examines critical eras, outstanding personalities and groups: wives, mothers, pioneers, soldiers, suffragists, politicians and civil rights activists, and the impact of the passage of time and the pressure of historical forces on the region's females. The historical southern woman, argues Wolfe, has operated under a number of handicaps: bearing the full weight of southern history, mythology and legend. Added to these have been the limitations of being female in a patriarchal society and the constraining images of the southern belle and her mentor, the southern lady. In addition, the specter of race has haunted all southern women. Gender is a common denominator, but according to Wolfe, it does not transcend race, class, point of view or a host of other factors. Intrigued by the imagery as well as the irony of biblical stories and southern history, Wolfe titles her work *Daughters of Canaan*. Canaan symbolizes promise, and for activist women in particular, the South has been about promise as much as fulfillment. General readers and students of southern and women's history will be drawn to Wolfe's engrossing chronicle.

The Literature Lover's Book of Lists Judie L. H. Strouf, 1999-09-15

Wonderful for browsing and invaluable for finding specific information. *Literature Lovers Book of Lists* is a compendium of useful and sometimes whimsical information for anyone who loves books and loves to read at any age or reading level. It is organized into nine sections and provides nearly 200 lists relating to genres, authors, characters and settings, awards, literary terms with their definitions and much more. There are even lists of books of prose and poetry available on audiocassettes. If it has to do with literature, this book has the answers. What book has had the longest run on *The New York Times* best seller list? Who is the only four-time winner of the Pulitzer Prize for drama? What is the complete list of Shakespeare's plays and poems? Who are some of the most notable African American authors? What are the three main variations of the sonnet? What famous writers belonged to The Bloomsbury Group? *Literature Lovers Book of Lists* is both exciting and informative at the same time.
