A Thirsty Evil:

A Thirsty Evil Gore Vidal, 1967 **A Thirsty Evil** Gore Vidal, 2008-04 From the poignant realisation as an adult of the cruel brutality of childhood in *The Roadman* then comes face to face with himself as a boy in *A Moment of Green Laurel* both stories combining the nostalgia and fear that haunt us all in old age Meanwhile in *Erlinda* and *Mr Coffin* Southern etiquette is unashamedly turned upside down in a tale of amateur theatricals reminiscent of Dickens and Victorian melodrama Yet it is in *Three Stratagems* *The Zenner Trophy* *Pages from an Abandoned Journal* and *The Ladies in the Library* with more than a hint of Thomas Mann's *Death in Venice* in the latter that we see Vidal as we know him best cynical and provocative in these subtle tales of what was known in those days as sexual inversion *A thirsty evil* Gore Vidal, 1970 **A Thirsty Evil** P. M. Hubbard, **A Thirsty Evil** Gore Vidal (Schriftsteller), 1958 **A Thirsty Evil, Including On Pornography** Gore Vidal, 1966 On Measure for Measure Lawrence J. Ross, 1997 That *Measure for Measure* a work of the dramatist's maturity remains the focus of unresolved controversy calls into question the adequacy of Shakespeare criticism to be answerable to what he hath left us This book illustrates a way to conduct eclectic and historical criticism capable of manifesting this problematic play's coherence It closely studies as drama according to the conventions demonstrably presupposed the play indicated by the text when construed as Shakespeare's extant provisions for its performance Analysis shows that *Measure for Measure*'s principal interest cannot be character as such but rather the searching play of thought about a rich nexus of issues radical to our humanity projected through the staged action it informs To apprehend its attention to structure dramaturgy and methods of representation is as essential as studying how Shakespeare uses ideas received from his co-creating culture Through this study *Measure for Measure* emerges as a great play uniquely daring in conception scope and comic purgation humanely wise and balanced in outlook brilliant in dramaturgical wit exhilaratingly entertaining and perhaps Shakespeare's most sophisticated work though its coherence has often previously been clouded by misconstrual

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved A Thirsty Evil P. M. Hubbard, 2013-07-14 Ian MacKellar seeks out Julia He discovers her on a farm she runs where she maintains her younger brother and sister But his obsessive pursuit of Julia becomes stymied by members of her dysfunctional family The action unfolds in a West Country English village by a dark pond in the secluded woods near Julia's family home And it is below the surface of that pond that tragedy awaits The works of William Shakespeare, the text formed from an entirely new collation of the old editions, with notes [&c.] by J.P. Collier. [With] Notes and emendations to the text of Shakespeare's plays William Shakespeare, 1842 **The Mourning After** John Ibson, 2018-11-01 On the battlefields of World War II with their fellow soldiers as the only shield between life and death a generation of American men found themselves connecting with each other in new and profound ways Back home after the war however these intimacies faced both scorn and vicious homophobia *The Mourning After* makes sense of this cruel irony telling the story of the unmeasured toll exacted upon

generations of male friendships John Ibson draws evidence from the contrasting views of male closeness depicted in WWII era fiction by Gore Vidal and John Horne Burns as well as from such wide ranging sources as psychiatry texts child development books the memoirs of veterans children and a slew of vernacular snapshots of happy male couples In this sweeping reinterpretation of the postwar years Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity leaving far too many men with an unspoken ache that continued long after the fighting stopped forever damaging their relationships with their wives their children and each other
